ADHESIVES, SEALANTS & EPOXIES

AMALGA-WRAP INDUSTRIAL AMALGAMATING WRAP 4-2430:

AMALGA-WRAP is designed from new technology that uses the principles of amalgamation to create a wrap that when stretched an additional one-third its length wrapped around pipes, electrical cable, wires or hoses, begins to bond and meld with itself to form a solid material. This solid can act as a sealer, insulator or wrap as if it is made of one piece. *AMALGA-WRAP* can be used as an insulator for electrical lines and can even form a waterproof seal for electrical connections. *AMALGA-WRAP* can be used to wrap or tie cables together on a permanent basis as *AMALGA-WRAP* has no adhesive to it and it only bonds to itself.

E-6000® SELF LEVELING PAINTABLE FORMULA

4-6000:

Used for commercial applications as a self-leveling adhesive. It may be used on printed circuit boards, terminals, wiring and other electrical applications as an insulating or potting material. It protects and insulates against moisture and vibration. Seal leaks in PVC, ABS, copper and galvanized piping. Cork seal around polls and spas. Repair foundation cracks. Seal around roofing flashing. Packaged in 3.7 oz. tubes or 10.3 oz. cartridges.

E-6100™ NON-SAG PAINTABLE FORMULA

4-6100C:

Used for commercial, plant and fleet maintenance. Use *E-6100™* wherever nails won't work. Sets and seals aluminum window frames, repairs concrete and asphalt cracks and secures countertops. Coat steel support structures to prevent corrosion. Bonds housings on monitors and motion detectors. Affix acrylic sign letters to wood, concrete and metal. Coat tools to protect and provide non-slip grip. Secure metal hinges or fixtures to wood. Build fashionable glass block walls. Adhere belts and buckles to fabric. Fill and seal cracks in concrete flooring. Seal junction boxes against moisture, seal copper and galvanized pipe, adhere metal to metal, cement brick or cinder blocks in place seal PVC and ABS pipes, seal difficult cracks in concrete and cinder block walls, repair cracks or broken glass, coat terminal strips and PCBs against moisture and vibration. Repair plastic containers. Patch and coat workers gloves, Repair canvas and plastics. Seal leaky water containers. Use as corrosion resistant coating against salt. Repair canvas covers. Adhere side molding around doors and windows. Adheres rearview mirrors. Repair tears in vinyl seats. Packaged in 10.3 oz. cartridges only.

E-6800™ UV-RESISTANT PAINTABLE FORMULA

4-6800:

Marine & Outdoor Maintenance: *UV-6800™* may be used as an adhesive and sealant on wood (including teak), fiberglass, concrete, plastic, metal and glass. As a sealant, *UV6800™* is an excellent insulator against water, corrosion from salt spray, mildew bacteria, most chemicals and vibration. *UV-6800™* may be applied as a contact adhesive; when cured, it may be used below the water line. Coat dock lines. Repair fishing nets and floats. Seal around portholes and wooden dock seams. Repair torn canvas sails and boat covers. Bond solar panels to wood or metal and adhere fiberglass to wood or metal. Seal umbrellas and awnings. Mend neoprene suits and plastic goggles. Repair inner tubes and rafts. Packaged in 3.7 oz. tubes or 10.3 oz. cartridges

EPOXY PUTTY STICKS

ALUMI-FAST

4-101:

ALUMI-FAST aluminum reinforces repairs for gutters, storm doors, aluminum siding and windows. It fills cracks, holes and repairs air conditioning units, machine parts and wheels. It can be drilled, sanded, sawed, tapped, machined, or painted.

AQUA-FAST

4-103:

AQUA-FAST is an underwater repair for decks, fittings, pipes, water tanks, pools, tubs, and more. It fills cracks, holes and gouges in fiberglass, metal, concrete and wood. It bonds to fiberglass concrete ceramics and many plastics. It can be applied to wet surfaces...even under water.

FAST-COPPER

4-102:

FAST-COPPER reinforces repairs for plumbing leaks in as little as 15 minutes and bonds to damp areas. It seals leaks in elbows, joints, sleeves, traps, pipes and drains. It seals pinhole leaks, freeze brakes and many other leaking areas.

FAST-CRETE

4-105:

“**Concrete in a tube**” is for repairing chipped concrete, brick and block. Good for patching and anchoring. Can be drilled, sanded, tapped, painted and filed.

FAST-WOOD

4-106:

FAST-WOOD is a true wood repair for frames, molding and furniture. It can be used to reshape carvings, knobs and handles; rebuild gouges, scratches, and nail holes. It can rebuild stripped screw holes and more.

HARD AS STEEL

4-104:

HARD AS STEEL is a multi-purpose epoxy putty that mends holes in auto bodies, condensate pans, heating and A/C ducts. It can be used to rebuild small parts, seal leaks, and fill voids and cracks. It can repair connectors, knobs and broken nuts and bolts. Can be drilled, sanded and tapped.

STEEL-FAST

4-107:

STEEL FAST is steel-reinforced for repairing nuts and bolts, anchor machines and stripped threads. It rebuilds small engine parts, seal leaks and fill voids and cracks in metal. It repairs metal tools, housings and ducts. Rust proof.

MULTI-PAK-REINFORCED EPOXY TUBES ASSORTED

4-10812:

GOODGRIP SLIP RESISTANT EPOXY COATING-AEROSOL

0-T91X12:

GOODGRIP is a super hard, texturized, one part epoxy coating that quickly cures to a slip resistant rough grit surface. *GOODGRIP* aids in the reduction of slip and fall accidents. *GOODGRIP'S* unique aerosol contains a special synthetic grit with no sharp edges. One application lasts for months depending on traffic.

COLORS AVAILABLE: 0-T91112 CLEAR 0-T91212 YELLOW 0-T91312 BLACK

HOLD FAST MS-74 WEB SPRAY ADHESIVE-AEROSOL

5-6808:

MS-74 is a high strength, fast acting tacking. It is designed to work on a variety of substrates. This transparent, low soak-in product exhibits particular strength when bonding surfaces such as dry wall, brick and concrete block. It also bonds well to wood, fabric, most foams, paper and plastic. Can be used for both temporary and permanent bonds.

MARINE GOOP®-SALT WATER RESISTANT ADHESIVE SEALANT

4-1720:

MARINE GOOP is used for marine applications as a self-leveling adhesive and sealant. It may be used above or below the waterline. *MARINE GOOP®* is totally resistant to saltwater and works extremely well in high calcium carbonate freshwater applications. *MARINE GOOP®* stays flexible and is UV resistant. Packaged 10.3 oz. cartridges.

ULTRAGASKETS

7-4945:

ULTRA GASKETS can be used on metal, glass, ceramics, wood, rubber and most plastics. As an instant gasket maker, this product replaces a wide range of cork, paper, asbestos, felt and metal gaskets. This product has excellent adhesion characteristics and high chemical resistance. Will not sag or shrink and is impervious to temperature extremes.

COLORS AVAILABLE: 7-494535 RED 7-494575 BLUE 7-494615 BLACK

ULTRASEALS

7-494:

ULTRA SEAL is a Low Volatility RTV Sealant

- Permanently Flexible
- Bonds Most Materials

High Performance silicone sealer formulated to bond, waterproof and caulk. Adheres to metal, porcelain, plastics and non-oily woods. Dries crystal clear.

COLORS AVAILABLE: 7-494605 WHITE 7-494595 CLEAR

AUTOMOTIVE

COMMAND AUTO POLISH

1-810:

COMMAND is a unique aerosol polish for truck, automobile and marine finishes. This polish produces a deep, high gloss finish and will not harm even the finest automobile finishes. It protects with carnauba wax and PTFE. It makes waxing fast and easy. Simply spray on, allow product to haze, and buff to a glossy, durable finish. **NOTE:** Not intended for use in auto body repair shops as it contains silicone.

CRUNCH II ORGANIC ENGINE DEGREASER-AEROSOL

1-825:***

CRUNCH II is a USDA authorized concentrated blend of organic solvents in a gel base. The gel base allows product to cling to vertical surfaces. It works quickly to penetrate and emulsify tar, asphalt, grease and oil. It washes off with water or solvent. This product is safe and easy to use. Spray on and wash off with water. Does not contain 1,1,1 Trichloroethane, CFCs or petroleum distillates.

DE-ICE FROST & ICE REMOVER-AEROSOL

1-800:

DE-ICE quickly melts ice, frost and snow from windshields, steps, door locks, ignition locks and trunk locks. Helps prevent ice and frost formation on windows and windshields when sprayed prior to freeze.

DETECT BATTERY & TERMINAL CLEANER-AEROSOL

1-823: ***

DETECT Battery Terminal cleaner cleans and neutralizes acid on terminals and cables of batteries. A color indicator is provided with the product to detect acid leaks. Product turns red on contact with battery acid. *DETECT* eliminates corrosion buildup.

FLEETMASTER HEAVY DUTY CAR & TRUCK WASH

1-852:

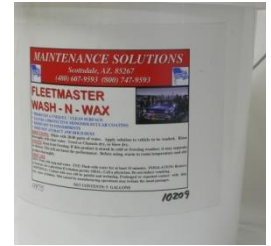

FLEETMASTER is a heavy duty automobile and truck wash. When used through a pressure washer with 600 psi, this product removes road film, grease, grime and soils. This product is a unique combination of emulsifiers, wetting agents and soil suspension agents. Very effective even in hard water. Dilute with hot water at the rate of 1 Oz per gallon and with cold water at the rate of 4 ounces per gallon. Can be used at higher concentrations if conditions warrant. Biodegradable.

FLEETMASTER WASH & WAX CONCENTRATE

5-11475: ***

FLEETMASTER WASH & WAX is a one-step cleaner and wax car and truck wash concentrate. Features and benefits are one step cleaning and wax. Cleans dirt and grime off vehicle finishes while simultaneously applying a protective coating. Saves labor and time. Gives maximum protection for less cost. Restores highest luster to vehicle finishes and is biodegradable.

CARBURETOR & CHOKE CLEANER-AEROSOL

1-802: ***

KLEEN CARB CARBURETOR & CHOKE CLEANER is a USDA authorized product formulated for use on all types of carburetion and PVC systems in automobiles, buses, trucks and industrial equipment. Cleans and frees choke linkages, moving parts on carburetors and PVC valves. Removes grease, carbon deposits, oil, gumming and other materials. Safe on oxygen sensors.

NO CHLOR NON-CHLORINATED BRAKE PARTS CLEANER-AEROSOL

1-809:

NOCHLOR NON-CHLORINATED BRAKE PARTS CLEANER combines powerful flushing action and a high solvency formulation to make cleaning brake linings, drums, disk pads and most other metal parts faster and easier. Removes brake fluid, oil, grease and other contaminants instantly. Evaporates quickly leaving no residue. Contains no ozone depleting solvents or CFCs.

SUDSY CAR & TRUCK WASH

5-11410: ***

SUDSY CAR & TRUCK WASH is formulated to eliminate water spots. Its high level suds last through the job and are safe on any surface. *SUDSY CAR & TRUK WASH* is powerfully concentrated, yet harmless to paint. *SUDSY CAR & TRUK WASH* is fast acting and economical, gives cars a "show room" finish and keeps trucks looking sharp.

TRAILERBRITE ALUMINUM BRIGHTENER

1-636:

TRAILERBRITE is a hydrofluoric acid based aluminum cleaner and brightener. Highly concentrated. Contains a blend of acids, detergents and corrosion inhibitors that prevent acids from attacking metal surfaces. Removes oxidation, corrosion and scale. Leaves surface bright and shiny. *HAZMAT*

VROOM STARTING FLUID

1-826:

VROOM is designed to aid gasoline and diesel engines with quick and easy starting power in cold, wet or freezing weather. Prevents excessive battery drain. After starting, continues to work as a corrosion inhibitor and upper cylinder lubricant. Note: Do not use this product on glow plugs.

CLEANING AND JANITORIAL AIDS

APPLE-ZYME ENZYMES

0-504: ***

APPLE ZYME is a unique product that contains over 50 billion bio-enzyme producing cultures per quart. *APPLE ZYME* will eliminate odors on contact with a lasting effect through an organic digestion process. It can be used in trash areas, urinals, around toilets, dry drains, tile grout and other hard surfaces, janitorial storage areas, carpet and upholstery items. *APPLE ZYME* is environmentally safe. *APPLE ZYME* will do the job and leave a fresh apple scent.

ATTACK II BIO-ENZYME ODOR CONTROLLANT

3-6328: ***

ATTACK II is a unique product that contains over 50 billion bio-enzyme producing cultures per quart. *ATTACK II* will eliminate odors on contact with a lasting effect through an organic digestion process. It can be used in trash areas, urinals, around toilets, dry drains, tile grout and other hard surfaces, janitorial storage areas, carpet and upholstery items. *ATTACK II* is environmentally safe.

BLUE MAGIC CONCENTRATED GLASS CLEANER

1-271:

BLUE MAGIC is a USDA authorized concentrated glass cleaner. Can be diluted up to 10:1. Cleans glass, porcelain, tile and vinyl. Removes grease, grime, oil, ink, lipstick, dirt, road film, and mud. Combines emulsifiers, surfactants, and solvents to give rapid cleaning action. Spray on and wipe off.

BRILLIANCE OIL BASED STAINLESS STEEL CLEANER-AEROSOL

1-249:

BRILLIANCE is an excellent cleaner formulated for hospitals, offices, restaurants, lockers, and institutions. It cleans, brightens, polishes and protects stainless steel. Can be equally effective for use on aluminum, chrome, Formica, porcelain and ceramic tile. A minimum of effort is required to remove smudges, soil and stains quickly-no hard rubbing needed. It actually forms a shield that resists water marks and rusting

CITRA KLEEN FOAMING CITRUS CLEANER & DEGREASER-AEROSOL

1-207: ***

CITRA KLEEN all-purpose cleaner is a USDA authorized heavy duty citrus based foaming cleaner. It combines emulsifiers, surfactants and a citrus cleaner to give superior cleaning action on most surfaces. The high density, clinging foam allows it to be used on vertical and regular surfaces as well as horizontal surfaces, extending its usefulness.

CLEARLY BETTER GLASS AND SURFACE CLEANER

0-194:

CLEARLY BETTER has a superior combination of emulsifiers and surfactants gives quick one-step cleaning on all glass surfaces, as well as horizontal surfaces. *CLEARLY BETTER* is an economical product that leaves a streak free shine. *CLEARLY BETTER* is excellent on windows, both indoors and out.

ECO FRESH BOWL CLIPS

6-1012:

ECO FRESH BOWL CLIP Freshens the Air for 30 days and has a unique patent pending material which contains 30x more air freshener than standard rimsticks. It is *Environmentally Friendly* with low VOC (compliant in all 50 States, Europe, N. America); 100% recyclable and will not dissolve in or pollute water. Easy to use because it fits most standard toilets; clips on outside of bowl and shrinks to fit as fragrance evaporates

AVAILABLE FRAGRANCES:

	6-1012SA Spiced Apple
6-1013MG Mango	6-1014HS Honeysuckle

GLEAM FURNITURE POLISH-AEROSOL

1-214: ***

GLEAM is a USDA authorized concentrated carnauba; beeswax and silicone base cleaner and polish for all types of furniture. Quickly restores original luster while cleaning. Contains an emulsifier and silicone in a water base for effective cleaning and polishing.

GRAFFITI GONE VANDALISM MARK REMOVER-AEROSOL

1-221:

GRAFFITI GONE is a USDA authorized extra heavy duty cleaner which will remove all types of ink without damaging surfaces, Unique gel base stays in place to clean vertical and irregular shapes. Leaves a pleasant fragrance.

GREENSCAPES BATHROOM CLEANER

1-2970:

GREENSCAPES BATHROOM CLEANER is a special blend of environmentally preferable mild surfactants and hydrogen peroxide that produce a cleaner as strong as mineral acid, yet is mild like hand soap. Recognized under the EPA Design for the Environment (DfE) Formulator Program. This non-fuming bathroom cleaning product can be used for the toughest cleaning jobs and is much safer than hydrochloric and phosphoric acid based cleaners. Apply with sprayer or wipe on with cloth or sponge. Removes soap scum, lime deposits, grease, grime, rust, discoloration, mineral deposits such as calcium (hard water deposits) and other types of soils. Use on stainless steel, copper, brass, aluminum, concrete, ceramic tile, porcelain, stone, brick, fiberglass, grout. For use in bathrooms, kitchens, restroom facilities in schools, industrial facilities, public venues, hotels, motels, sporting arenas. Use on toilets, urinals, tubs, showers, doors, sinks, hoods, and countertops.

GREENSCAPES CLEANER & DEGREASER

1-2650:

GREENSCAPES CLEANER/DEGREASER is a heavy duty cleaner and degreaser. Recognized under the EPA Design for the Environment (DfE) Formulator Program. Use as is for tough cleaning or may be diluted up to 64:1 for light duty cleaning. Follow dilution instructions for specific cleaning jobs. Contains biodegradable surfactants and degreasers. For use on walls, floors, tile, vinyl upholstery, metal, porcelain, concrete, and counter tops. Removes grease, oil, grime, soap scum, lipstick, wax, food stains and dirt. Use on whitewalls to restore original color.

GREENSCAPES HD GLASS & SURFACE CLEANER

1-2700:

HEAVY DUTY GLASS & MULTI-SURFACE CLEANER CONCENTRATE is a powerful, concentrated cleaner for spray and wipe applications. Recognized under the EPA Design for the Environment (DfE) Formulator Program. May be diluted up to 1:128 in cold water. Contains no harsh solvents, alcohol or ammonia. Saves energy by using cold water for dilution. Biodegradable. Clean glass, mirrors, Formica, plastic, stainless steel, fiberglass, vinyl, ceramic tile, porcelain, and chrome and many other hard surfaces.

GREENSCAPES HD CONCENTRATED NEUTRAL CLEANER

1-2720:

CONCENTRATED NEUTRAL CLEANER is a concentrated neutral cleaner and degreaser. Recognized under the EPA Design for the Environment (DfE) Formulator Program. Favorable environmental profile. Use as directed for tough cleaning jobs and also for general purpose cleaning. Biodegradable in hard or soft water. Dilution with cold water conserves energy. Designed for use on floors, walls, tile, terrazzo, concrete, woodwork, enamel, porcelain, windows and metal surfaces. Removes grease, grime, oil, food stains, dirt, lipstick, black heel marks, carbon, soot and soap scum.

GREENSCAPES OXYGENATED CLEANER & DEGREASER

1-2980:

GREENSCAPES OXYGENATED CLEANER & DEGREASER is a concentrated heavy duty cleaner, degreaser, deodorizer and stain remover. Recognized under the EPA Design for the Environment (DfE) Formulator Program. Contains hydrogen peroxide, biodegradable surfactants and degreasers. Follow dilution chart for specific cleaning jobs. Leaves no residue, rinses freely with water. Contains no caustic or harmful solvents. For use on walls, floors, tile, vinyl upholstery, metal, porcelain, concrete, and counter tops. Removes grease, oil, grime, soap scum, lipstick, wax, food stains and dirt. Excellent for use as general purpose carpet spotter. Can also be used as a pre-spotter on soiled clothing prior to laundering.

GRIP CLINGING ACID TILE CLEANER

1-291: ***

GRIP is a phosphoric acid based USDA authorized tile, porcelain, fiberglass and toilet bowl cleaner. Descals, delimes and removes rust stain, hard water deposits and metallic soap scum. Safe on chrome. Excellent brass, bronze and copper cleaners, for hard water deposits and metallic soap scum. Thick clinging action assists in easy removal of undesirable stains and deposits eliminating the need for abrasive cleaners. Pleasantly scented, deodorizes as it cleans.

KRYSTAL KLEAR GLASS, PLASTIC & CRT CLEANER-AEROSOL

0-1220: ***

KRYSTAL KLEAR is a USDA authorized foaming alcohol base cleaner. Its superior combination of emulsifiers and surfactants gives quick one-step cleaning on all glass surfaces, as well as horizontal surfaces. *KRYSTAL KLEAR* uses an economical foam that leaves a streak free shine. *KRYSTAL KLEAR* contains A-24 polishing agents that helps prevent dust buildup. *KRYSTAL KLEAR* cleans and shines windows, mirrors, computers, acrylics and poly-carbonates.

MAXI GLO LIGHT DUTY NEUTRAL CLEANER

1-275:

MAXI GLO is a USDA authorized all-purpose neutral cleaner. Dilutes up to 128:1 with water. Cleans all surfaces including tile, terrazzo, porcelain, marble, concrete, wood, enamel and metal. Contains surfactants, emulsifiers and wetting agents to clean oil, grease, grime, dirt, inks and most other soils.

MINT GIANT DOUBLE CONCENTRATED BOWL CLEANER

0-312: ***

MINT GIANT is a double concentrated emulsion highly active bowl cleaner with 35% active ingredients. *MINT GIANT* has a thick clinging formula to clean soils and rust from bathroom surfaces, toilets, urinals and septic systems. It has a very pleasant scent of mint and will control odors in these areas.

PINK DISHWASH CONCENTRATED DETERGENT

1-295:

PINK DISHWASH is specially formulated for sparkling clean dishes and spot free glasses. This product is lotionized with delicate skin conditioners to prevent skin dryness and cracking. This product can also be used on fine fabrics such as lingerie, nylons and woolens.

PT-100 TUB AND TILE CLEANER-MINT SCENTED

1-289:

PT-100 is an acid based tub and tile cleaner. This mint scented product contains a blend of acids, wetting agents, emulsifiers and chelating agents to cut water spots, soap scum and scale on all tile surfaces. Safe on stainless steel, chrome and fiberglass. Can be applied with a sponge or sprayed on with a trigger sprayer. Allow product to work. Rinse off to leave surface clean and sparkling.

QUIK FREEZE GUM REMOVER

1-228: ***

Quik Freeze Gum Remover is a unique blend of freezing agents. Provides fast, easy removal of gum and wax deposits from carpet, upholstery, floors, furniture, walls, staircases and chairs. Quickly removes tackiness from gum and wax without harming or staining painted surfaces. This product is environmentally safe and will not harm the atmosphere.

SCUM-OFF NON-ACID SHOWER & TILE CLEANER

3-420: ***

SCUM-OFF SHOWER & TILE CLEANER is formulated to remove soap scum, body oils and scale found in showers, tubs and sinks. This NON-ACID formula will remove mildew found in showers and tubs. *SCUM-OFF* will also remove water spots in water fountains, stainless sinks, and other equipment where water stains and scale are present.

SHIELD ALL PROTECTANT COATING

3-1293: ***

SHIELD ALL is a new water based protective coating that beautifies and protects vinyl, plastic, rubber, plexi-glass and leather. Protects against air pollution and ultra violet rays that harden, rot or crack these surfaces. Milky, off white color with a lemon scent.

SKIDEW MILDEW STAIN REMOVER

1-350:

SKIDEW is designed to instantly remove mildew on contact. With periodic use, stains will not reappear. Monthly use will eliminate mildew stains permanently. Can be used in many areas where mildew is a problem including under eaves or on unpainted surfaces prior to painting to prevent future mildew appearance.

SPARKLE WATER BASED STAINLESS STEEL CLEANER- AEROSOL

1-222:

SPARKLE Stainless Steel Cleaner is a USDA authorized non-abrasive metal surface cleaner. Using emulsifiers and surfactants in a foaming cleaner, this product cleans, shines and polishes in one step. Leaves a long lasting protective coating. Will not scratch or score metal surfaces.

TUFSTUFF OVEN & GRILL CLEANER-AEROSOL

1-235:

TUFSTUFF OVEN & GRILL CLEANER is a USDA authorized water base cleaner using potassium hydroxide. Clinging gel adheres to all surfaces without running insuring complete penetration and cleaning of cooking surfaces. Restores cooking surfaces to original shine. Removes even the most stubborn cooked on food, grease, oil or stains.

TUFSTUFF OVEN & GRILL CLEANER BULK

1-283:

TUFSTUFF is a USDA authorized caustic base oven and grill cleaner. Extra thick liquid adheres to all surfaces without running to insure complete penetration and cleaning of cooking surfaces. Restores cooking surfaces to original shine. Removes even the most stubborn cooked on food, grease, oil or stains. Works by saponification of baked on fats and oils and the dissolving of carbon.

URINAL SCREENS W/BLOCK BLUE

0-9007: ***

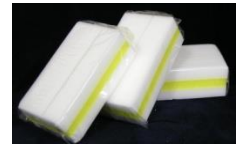

URINAL SCREENS BLUE are a super compressed product that will last longer than other urinal blocks, each block is 4oz. and controls odor and scale with every flush. *URINAL SCREENS BLUE* is a non Para, non-toxic biodegradable. Deodorizes and cleans at the same time. Contains a unique slow release detergent formula with highly concentrated enzymes that dissolve mineral deposits, hard water scale, uric salts, and maintain drains to help prevent clogging and are pleasantly scented.

WIZARD INCREDIBLE STAIN REMOVER

1-925012***

The *WIZARD* eliminates stubborn stains on walls, wallpaper, doors, wood flooring, lockers, signs, dry-erase boards, vinyl, leather, showers, tile, even stainless steel! Try it even in a kitchen on the brown grease/carbon stains on the outside of the ovens. It works exceptionally well on golf carts and school desks. Because you only wet it with water, students can clean up their own markers, ink etc. The *WIZARD* works well on chrome, brass, copper and stainless steel. Just uses water, no chemicals.

DEODORANTS AND DISINFECTANTS

TOTAL RELEASE ODOR ELIMINATOR

1-315:

TOTAL RELEASE ODOR ELIMINATOR neutralizes all types of malodors, leaving a pleasant fresh apple fragrance. Effectively eliminates odors caused by urine, feces, decay, rancidity, animals, fire, tobacco smoke, cooking and mildew. Each can neutralizes odors in up to 6,000 cu. ft. of space. This product is not a cover up but chemically destroys the odor molecule, thus eliminating offensive odors.

AVAILABLE: FRESH AND CLEAN 1-345, ORANGE 1-328

BABY POWDER DRY MIST AIR FRESHENER-AEROSOL

1-337:

BABY POWDER DRY MIST counteractant quickly freshens entire areas such as garbage pails, auto interiors, offices, closets and many more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of malodor has been removed. A special two-way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

BUCKET-O-BEADS AIR FRESHENERS

6-552:

BUCKET-O-BEADS are a unique product that neutralizes all types of malodors. *BUCKET-O-BEADS* are effective in eliminating odors caused by urine, rancidity, tobacco smoke, cooking, must and mildew. Each bag neutralizes and destroys odors with a unique and advanced "AIR FLOW" bag.

ALSO AVAILABLE: FRESH-N-CLEAN 6-55110, ORCHARD SPICE 6-55220, PLUMERIA 6-55995*** PEACH 6-55998*** and VANILLA 6-55880***

CREAMSICLE DRY MIST AIR FRESHENER-AEROSOL

1-338: ***

CREAMSICLE dry mist counteractant freshens areas such as laundry hampers, garbage pails, auto interiors, offices, and many more. This is specially formulated to eliminate the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of the malodor has been removed. A special two way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

CURVES

6-241:

CURVES is the most versatile air-freshening, odor control solution available today. Perfect for tricky spots or any area that need a shot of freshness. The curve & holder stick anywhere, providing powerful air freshening and reminds you when to change it.

AVAILABLE FRAGRANCES:

6-2412SA Spiced Apple

6-2413MG Mango

6-2415LAV Lavender

6-2416CM Cucumber Melon

DOMES

6-5012:

The unique dome shape fits raised urinal drains and remains in place to protect from debris getting into the drain. Fragrance burst with each use. Lasts a full 60 days due to unique design.

AVAILABLE FRAGRANCES:

6-5012SA Spiced Apple

6-5012MG Mango

DUMPSTER DEODORIZER WITH GERANIOL

6-8861:

GERANIOL DUMPSTER DEODORIZER is a product made with non-hazardous materials using naturally based ingredients as well as an all-natural insect repellent. *GERANIOL DUMPSTER DEODORIZER* uses ground corncob as the base material and in addition to being completely safe it provides everyone with significant benefits. Corncob is very absorbent so it tends to hold more of the odor killers and insect repellent than other brands on the market that use rock as a base.

EASY FRESH SYSTEM

6-801:

Powerful enough to freshen even your largest spaces. Easy Fresh is the world's only air freshener dispenser that uses the fragranced cover of the dispenser as the air freshener refill itself! Now you can save yourself time and energy with the product that makes replacement easy. Easy Fresh releases the same amount of freshener daily over 30 days by controlling the air flow by controlling the fan's operation.

AVAILABLE FRAGRANCES:

6-8012C Citrus
6-8014CM Cucumber Melon
6-8015LAV Lavender
6-8018GP Guava Pineapple
6-8020MG Mango
6-8021OM Ocean Mist
6-8022SA Spiced Apple

6-88001 Easy Fresh Dispenser

ECO FRESH BOWL CLIPS

6-1012:

ECO FRESH BOWL CLIP Freshens the Air for 30 days and has a unique patent pending material which contains 30x more air freshener than standard rimsticks. It is *Environmentally Friendly* with low VOC (compliant in all 50 States, Europe, N. America); 100% recyclable and will not dissolve in or pollute water. Easy to use because it fits most standard toilets; clips on outside of bowl and shrinks to fit as fragrance evaporates

ENCORE *Non-Acid* DISINFECTANT BATHROOM CLEANER

1-357:

ENCORE is an EPA registered, ready-to-use, disinfectant, cleaner, fungicidal, mildew stat, virucide and deodorizer for use in hospitals, institutions and industrial areas. This quaternary disinfectant contains four strains of ammonium chloride which provide protection and aid in the reduction of cross contamination against a broad spectrum of gram positive and gram negative bacteria. Effective against HIV-1 (AIDS virus), Trichophyton mentagrophytes (Athletes Foot Fungus) and many other bacteria. This is a perfect product for competing with other Non-Acid Bathroom Cleaners in the market place today because of its broad claims and economical price. **DO NOT USE ON NEW OR UNTREATED GROUT.**

GERM ASIDE ALL PURPOSE CLEANER AND DISINFECTANT

1-360:

GERM ASIDE is a ready to use disinfectant, virucidal, germicidal, mildewstat, deodorizer, fungicidal and cleaner suitable for hard, non-porous surfaces such as plastic, Formica, stainless steel, porcelain, and ceramic tile. Convenient one-step action. No mixing required. Use to clean tables, floors, telephones, walls, counter tops, garbage cans, tubs, tile, bathmats, locker room benches and more. Helps control the hazards of cross-contamination and also kills microorganisms that cause odors. Biodegradable. Pleasant floral fragrance.

GERM AWAY FOAMING GERMICIDAL CLEANER-AEROSOL

1-217:

GERM AWAY is an EPA registered and USDA authorized foaming cleaner and germicide. This water base foaming aerosol combines butyl cleaners, surfactants and emulsifiers with a quaternary germicide to give heavy duty cleaning of all surfaces. Safe for use on all bathroom surfaces. Will not harm chrome or metal surfaces. Kills *Staphylococcus aureus*, *Pseudomonas aeruginosa*, *Salmonella choleraesuis*; controls mold, mildew and fungus.

HAN-SAN GEL SKIN SANITIZER

1-693: ***

HAN-SAN instantly sanitizes hands without water or towels. This special blend of emollients and ethyl alcohol leaves hands sanitized, smooth and conditioned without an antiseptic smell. Will not dry skin. Helps prevent bacterial transfer and reduces hospital acquired infections. Dries in 15 seconds leaving hands with a fresh citrus fragrance.

JAMAICAN DREAM-BIO-ENZYMATIC ODOR CONTROLLANT

3-1192:

JAMAICAN DREAM is a super concentrated, environmentally preferred, bio-enzymatic odor controllant specially engineered to break down and digest organic material causing odors. *JAMAICAN DREAM* uses unique non-pathogenic enzyme producing bacteria to seek out and digest all organic foul odor causing material. *JAMAICAN DREAM* also leaves a comforting coconut or pina colada fragrance of an island getaway.

LEMON DISINFECTANT ONE STEP GERMICIDAL CLEANER & DEODORANT

1-353:

LEMON DISINFECTANT is an EPA registered, concentrated, multi-purpose germicidal detergent. This dual quat based product disinfects, cleans and deodorizes in one labor saving step. It is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, *Trichophyton interdigitale*, Type 3, *Viccona*, *Influenza A/Texas*, *Herpes Simplex Type 1 & HV-1* (AIDS virus). Dilute 2 ounces of germicidal cleaner per gallon of water for effective disinfecting. Will control the growth of mold, mildew and the odors associated with them on hard surfaces.

MAUI BREEZE MALODOR DEACTIVATOR

0-238: ***

MAUI BREEZE is a NEW Malodor Deactivator and Suppressant! *MAUI BREEZE* can be used full strength as an excellent long term odor controllant, or it can be mixed right into mop water because it's non-staining, it can be sprayed directly on fabrics and carpeting! *MAUI BREEZE* is strong enough to be used in sewage treatment plants and garbage collection systems! *MAUI BREEZE* actually deactivates foul odor molecules.

METERED AIR FRESHNERS-AEROSOL

The metered line of air fresheners chemically works to neutralize unpleasant odors. Products can be used in conjunction with many automatic actuating aerosol dispensers that deliver fresh fragrance every 15 minutes. One aerosol can keep an area constantly deodorized for up to 30 days. Because this product is a micro-emulsion, all the active ingredients are released making this the most effective technology for odor counteracting on the market today. Fine, dry mist is non-staining, contains no 1,1,1 Trichloroethane and meets all VOC regulations.

MINT DISINFECTANT ONE STEP GERMICIDAL CLEANER & DEODORANT

1-354:

MINT DISINFECTANT is an EPA registered, concentrated, multi-purpose germicidal detergent. This dual quat based product disinfects, cleans and deodorizes in one labor saving step. It is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, *Trichophyton interdigitale*, Type 3, *Viccona*, *Influenza A/Texas*, *Herpes Simplex Type 1 & HV-1* (AIDS virus). Dilute 2 ounces of germicidal cleaner per gallon of water for effective disinfecting. Will control the growth of mold, mildew and the odors associated with them on hard surfaces.

MULBERRY DRY AIR FRESHENER-AEROSOL

1-336:

MULBERRY dry mist counteracts and quickly freshens entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, athletic shoes, closets and many more. These specially formulated malodor counteractants eliminate the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of malodor has been removed. The light formulation travels with air flow and eliminates the odors where they hang. A special two way valve allows these products to be sprayed both right side up or upside down. Meets all current VOC standards.

OCEAN BREEZE DRY AIR FRESHENER-AEROSOL

1-335:

OCEAN BREEZE dry mist counteracts and quickly freshens entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, athletic shoes, closets and many more. These specially formulated malodor counteractants eliminate the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of malodor has been removed. The light formulation travels with air flow and eliminates the odors where they hang. A special two way valve allows these products to be sprayed both right side up or upside down. Meets all current VOC standards.

ORGANIC GEL ODOR CONTROLLANT PACKS

ORGANIC GEL PACKS are designed to control odors for 30 days per pack. These organic gels are placed in our Wall Mount Dispenser to continually control odors in bathrooms, meeting rooms, ballrooms, hallways, offices, conference rooms, and anywhere that people gather. *ORGANIC GEL PACKS* work to absorb malodors and continually release a light fragrance.

AVAILABLE FRAGRANCES: GELCUPS

BERRY GOOD	6-4012***	CINNA-BURST	6-4017	TEMPTING TANGERINE	6-4011***
MELON MANIA	6-4014***	VARIETY PACK	6-W5741		

WALL MOUNT DISPENSER

2-0675:

An attractive wall-mounted dispenser for organic gel odor control packs, which is light sensitive and has battery powered fan dispersion over a larger area. Sold individually.

OVATION INSTANT HAND SANITIZER

1-694:

OVATION kills 99% of most common germs that cause illness in as little as 15 seconds. No soap or water required. Does not contain alcohol. Will not dry skin. Helps prevent bacterial transfer and reduces hospital acquired infections.

PHENOMENAL TOTAL RELEASE

1-308:

PHENOMENAL TOTAL RELEASE is an EPA registered hospital antimicrobial agent and two-way deodorizer for use on pre-cleaned hard, nonporous surfaces including toilets, urinals, bathtubs, shower stalls, seats, benches, lockers, partitions, counters, fixtures, knobs, handles, railings, telephones, furniture, equipment and other surfaces which could harbor hazardous microorganisms. For use in industrial, institutional, commercial, medical and residential facilities, equipment and vehicles including hospitals, ambulances, nursing homes, medical and dental offices and clinics; schools; laboratories; hotels and motels; restaurants and cafeterias; . Bactericidal, virucidal, sanitizes fabric and leather shoes, mats and equipment, fungicidal, controls microorganisms that create foul putrefactive odors. One can treats 6,000 cubic feet of unobstructed space. Effective against MRSA and influenza strains including H1N1.

PHENOMENAL HOSPITAL GRADE DISINFECTANT-AEROSOL

1-310:

The Phenomenal line of phenolic sanitizer/disinfectant/deodorants thoroughly kills bacteria, viruses, fungi, mold, mildew and other pathogens on environmental surfaces. Reduces the hazards of cross infections. Inactivates the HIV-1 (AIDS) virus and Herpes Simplex Types 1 and 2 (Herpes Virus), Influenza, and other viruses on precleaned environmental surfaces or objects previously soiled with blood or bodily fluids. Kills E Coli, Salmonella, Tuberculosis, and much more. Attacks and destroys malodors at the source. Completely inhibits growth of mold and mildew when used regularly. Leaves no oily film on the surface. All are pleasantly fragrances.

AVAILABLE IN: Hospital Grade Disinfectant PHENOMENAL-1-310
Hospital Grade Disinfectant CITRUS-1-312

PINE DISINFECTANT ONE STEP GERMICIDAL CLEANER & DEODORANT

1-355:

PINE DISINFECTANT is an EPA registered, concentrated, multi-purpose germicidal detergent. This dual quat based product disinfects, cleans and deodorizes in one labor saving step. It is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, *Trichophyton interdigitale*, Adenovirus Type 3, Vaccinia Influenza A/Texas, Herpes Simplex Type 1 & HV-1 (AIDS virus). Dilute 2 ounces of germicidal cleaner per gallon of water for effective disinfecting. Will control the growth of mold, mildew and the odors associated with them on hard surfaces.

RED HOT DRY MIST AIR FRESHENER-AEROSOL

1-346: ***

RED HOT dry mist counteractant quickly freshens entire areas such as laundry garbage pails, auto interiors, offices, gym lockers, closets and many more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit, or urine odors that linger even after the source of malodor has been removed. A special two way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

REFRESH 2.0

6-451:

Upgrade the performance of your gels to Refresh 2.0 without changing your dispenser! It has 15-35% more fragrance than current air freshening gels. Refresh 2.0 fits in a wide variety of dispensers and is 100% recyclable.

SIMPLY FRESH GEL ODOR NEUTRALIZER

0-SF0818:

SIMPLY FRESH GEL neutralizes malodors caused by mold, smoke, pets, chemicals, sewers, mildew, etc. without the use of heavy perfumes for 3- 5 months. *SIMPLY FRESH GEL* is ideal for use in hospitals, nursing homes, schools, hotels. Great for use in A/C system return ducts.

SPRAY-A-JELL JELLED ODOR CONTROL FRESH-N-CLEAN

6-9951: ***

SPRAY-A-JELL FRESH-N-CLEAN is a new technology that provides a solid jelled product in a bottle. Once the bottle is shaken, the jell immediately becomes a sprayable liquid. Once the liquid is sprayed onto a surface it once again becomes a jell. This jell vaporizes over a long period of time, giving extended air freshening benefits. *SPRAY-A-JELL FRESH-N-CLEAN* is effective in eliminating malodors in garbage dumpsters, restrooms, locker rooms, and many other areas. *SPRAY-A-JELL FRESH-N-CLEAN* provides the same benefits as "jell" cups without needing a fan cabinet. This cuts down on cost, maintenance and vandalism.

SPRAY-A-JELL JELLED ODOR CONTROL ORCHARD SPICE

6-9953: ***

SPRAY-A-JELL ORCHARD SPICE is a new technology that provides a solid jelled product in a bottle. Once the bottle is shaken, the jell immediately becomes a sprayable liquid. Once the liquid is sprayed onto a surface it once again becomes a jell. This jell vaporizes over a long period of time, giving extended air freshening benefits. *SPRAY-A-JELL ORCHARD SPICE* is effective in eliminating malodors in garbage dumpsters, restrooms, locker rooms, and many other areas. *SPRAY-A-JELL ORCHARD SPICE* provides the same benefits as "jell" cups without needing a fan cabinet. This cuts down on cost, maintenance and vandalism.

SPRAY-A-JELL JELLED ODOR CONTROL PLUMERIA

6-9957: ***

SPRAY-A-JELL PLUMERIA is a new technology that provides a solid jelled product in a bottle. Once the bottle is shaken, the jell immediately becomes a sprayable liquid. Once the liquid is sprayed onto a surface it once again becomes a jell. This jell vaporizes over a long period of time, giving extended air freshening benefits. *SPRAY-A-JELL PLUMERIA* is effective in eliminating malodors in garbage dumpsters, restrooms, locker rooms, and many other areas. *SPRAY-A-JELL PLUMERIA* provides the same benefits as "jell" cups without needing a fan cabinet. This cuts down on cost, maintenance and vandalism.

SPRING MIST COUNTERACTANT

1-362:

SPRING MIST counteractant is a highly effective concentrated odor eliminator. It works chemically to destroy odors and is effective against odors caused by animals, mildew, laundry, smoke tobacco, sewage, oil and gas. Especially effective in eliminating odors caused by decomposing organic matter. *SPRING MIST* is strong enough to eliminate odors in stockyards and sewage plants and pleasant enough to be used in institutional and housekeeping applications. It can be used as a space spray with pump type or mist type sprayer, sprayed directly on surfaces or used in conjunction with hot water extracting carpet cleaning machines.

SPRING MIST DRY ODOR COUNTERACTANT-AEROSOL

1-334:

SPRING MIST is especially effective as a spot treatment for rooms, drapes, carpets, etc. Use to control and neutralize odors caused from nitrogenous and sulfurous sources such as urine, feces, decay, rancidity, animals, fire, smoke, cooking and mildew. Also neutralizes odors caused by organic decomposition and tobacco smoke. Meets all current VOC standards.

SUMMER RAIN DRY MIST AIR FRESHENER-AEROSOL

1-342 ***

SUMMER RAIN dry mist counteractant quickly freshens entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, closets and many more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of the malodor has been removed. The ultra-light formulation travels with airflow and eliminates odors where they hang. A special two way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

THE WAVE 3X URINAL SCREENS

6-701X:

THE WAVE is a new urinal screen and deodorizer that gives a full 30 day fragrance release. *THE WAVE 3X* is flexible and conforms to the urinal to trap drain stopping debris. As *THE WAVE 3X* works, it begins to shrink in size as it releases beneficial bacterial, odor counteractants and fragrance. By design *THE WAVE 3X* prevents splash back, thus reducing cleanup time. Because *THE WAVE 3X* is VOC compliant in all 50 states and has no ozone depleting ingredients, it is the most eco-friendly product of its type available today. *THE WAVE 3X* comes in 4 fragrances that match our hand tags so that fragrances can be coordinated for great restroom odor control.

AVAILABLE FRAGRANCES:

6-7013MG	Mango	7-3015LAV	Lavender	7-7017SA	Spiced Apple
6-7014HS	Honeysuckle	7-3016WG	Wintergreen	7-7099VP	Variety Pack

Cs 50 (10 Ea.)

VANILLA DRY AIR FRESHENER-AEROSOL

1-339:

VANILLA dry mist counteractant quickly freshens entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, closets and many more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine odors that linger even after the source of the malodor has been removed. The ultra-light formulation travels with airflow and eliminates odors where they hang. A special two way valve allows this product to be sprayed both right side up or upside down. Meets all current VOC standards.

VERY BERRY ODOR CONTROLLANT

0-262: ***

VERY BERRY combines a fresh fragrance with the power of OPC (Odor Counteractant Power) *VERY BERRY'S* unique OPC formula is not a masking agent or cover-up perfume. *VERY BERRY* actually filters out bad odors and allows pleasant scents through. *VERY BERRY* effectively counteracts a broad spectrum of malodors in: Hospitals, Nursing Homes, Hotels and Motels, Bathrooms, Animal Areas, Fire Damage Areas, Kitchens and Any Bad Odor Area.

DRAIN AND WASTE TREATMENTS

BIG SHOT DRAIN OPENER WITH BI-PHASE ACTION

0-112:

BIG SHOT is a powerful drain opener and maintainer designed to quickly liquefy organic and inorganic materials such as hair, food, grease, rags, sanitary napkins and mineral deposits in most drains. *BIG SHOT* has a Bi-Phase action that limits the amount of obnoxious odors that may arise from the use of most other drain openers. *HAZMAT*

BIO-FLOW BLOCK

0-522:

BIO-FLOW BLOCK is a compressed enzyme block of over 4 Billion bacterial colonies per gram. The block is suspended in the effluent to be treated and as it dissolves, *BIO-FLOW BLOCK* releases a continuous amount of 4 strains of Bacillus Bacteria to dissolve grease fats and sludge in grease traps, interceptors, lift stations, wet wells and other collection systems. *BIO-FLOW BLOCK* reduces Hydrogen Sulfide, BOD, TSS, COD & FOG. *BIO-FLOW BLOCK* last 30-90 days depending on flow rate.

BLITZ

1-296:

BLITZ is a USDA authorized concentrated blend of living aerobic and anaerobic bacteria specially selected and adapted for their ability to produce large amounts of amylase, protease, cellulose and lipase enzymes important in degrading common sanitary wastes. The bacteria are considered “new generation” and are impervious to bleach, disinfectants and acids. This product can be used successfully on drains, grease traps and septic tanks to quickly degrade wastes and reduce odors. Contains 300 billion per gallon of the following: bacillus subtilis, bacillus amuloliquifaciens, bacillus lichenformis, bacillus megatherium, pseudomonas fluorescens, commomonas terrigena and bacillus firmus. **Note:** This product performs best within a pH range of 5.5-8.5. Optimal temperature range for maximum effectiveness is 54°-113°F, effective up to 212°F. Extremes of pH and temperature, as well as wide shifts in either parameters over a short period of time should be avoided. Cold temperatures reduce the effectiveness of the product and no bacteria activity can be expected below 40°F.

CITRA-ZOLV CITRUS EMULSIFYING AGENT

0-270:

CITRA-ZOLV is a powerful natural citrus solvent. *CITRA-ZOLV* is an excellent solvent for lift stations, unclogging drains, and use in sewage treatment plants. Works excellent as a “Shocker” for grease traps.

DIGESTASE APD 900

0-502:

DIGESTASE APD 900 is an all-purpose digestant that utilizes the powerful waste-digesting abilities of natural bacteria and special enzymes. It is a blend of bacillus bacteria strains (both anaerobic and aerobic types) cultured for their ability to digest organic waste – quickly, efficiently and without odors! The natural bacteria quickly break down proteins, starch, carbohydrates, animal and vegetable fats and oils, and paper for the most effective waste digestion.

DRAIN BAC-T THICKENED BACTERIA/ENZYME COMPLEX

0-507: ***

DRAIN BAC-T is a unique viscous formulation with a great tropical fragrance. *DRAIN BAC-T* was designed to maintain your drains with nature in mind and to do it safely, naturally, and effectively. Some of the many uses for *DRAIN BAC-T* are floor drains, grease traps, animal shelters, septic systems, recycling centers, garbage disposals, sewage plants, blood, pet and urine stains, restroom odors and garbage dumpsters. *DRAIN BAC-T* is biodegradable, non-toxic, non-acid, non-alkaline and is USDA APPROVED.

FLO-OUT GRANULAR DRAIN OPENER

3-1137:

FLO-OUT is a dry granular drain opener that activates in water to dissolve grease, food, hair, and sludge in drain lines. *FLO-OUT* is excellent for use in industrial plants and municipal sewer lines. *FLO-OUT* is packed in 2.2 lb. containers for convenient use.

FLO-ZYME ACTIVE LIQUID CULTURES WITH ODOR CONTROL

3-5195: ***

FLO-ZYME contains over 200 billion enzyme producing bacteria per gallon. *FLO-ZYME* liquefies and digests organic wastes, and is an instant malodor neutralizer. *FLO-ZYME* is non-acid, non-toxic and non-alkaline. It destroys odors in grease traps, portable toilets, lagoons, cement vaults, toilets, septic tanks and waste treatment plants.

GREASE IS GONE ORGANIC CITRUS DRAIN MAINTAINER, DEGREASER AND DEODORIZER

1-378: ***

GREASE IS GONE contains 100% organic ingredients from natural sources. *GREASE IS GONE* is an excellent solvent for lift stations, unclogging drains, and use in sewage treatment plants. *GREASE IS GONE* is an excellent solvent for degreasing parts, printing presses, equipment and machinery. A powerful solvent—NO PETROLEUM DISTILLATES and is BIODEGRADABLE.

INCREDIBLOX

0-91495:

INCREDIBLOX is a super odor solution for especially large, smelly areas. The Incrediblox is long-lasting and contains No VOC's. It is a great deodorizer for sewers, elevator shafts, dumpster areas, garbage collection areas, water treatment facilities, etc. Incrediblox can last up to 6 months of continuous use, and has a 100% active ingredient, no fillers!

NATURAL FLOATING CITRUS LIFT STATION DEGREASER

0-381: ***

NATURAL FLOATING LIFT STATION DEGREASER contains 100% all-natural d-limonene to dissolve grease and fat and neutralize odors in lift stations. The floating product acts as a “cap” in the lift station to keep odors from escaping and stays concentrated on top of the water to strip grease accumulations more efficiently as the water level rises and falls. *NATURAL FLOATING LIFT STATION DEGREASER* will not harm bacterial action in any sewage treatment operation.

NS-105 URIC SALTS REMOVER

1-288: ***

NS-105 quickly removes uric salts that develop in urinals. These encrustations develop over time and create odors and slow flowing drains. With a regular preventative maintenance program, *NS-105* completely dissolves uric salt scale in these areas.

OPEN UP ODORLESS ALKALINE DRAIN OPENER

1-300: ***

OPEN UP is a powerful, super-potent caustic drain opener and maintainer. This product will clear clogged drains of hair, paper, grease, oil and other organic matter. Keeps drain lines open and thus reduce malodors generated by rancid material. The caustic chemicals convert grease like matter from hard insoluble matter to soapy water-soluble material.

ORANGE BLAST

0-39310:

ORANGE BLAST is a water-rinsable industrial degreaser designed to remove grease, oil and tar deposits from motors, chassis, tools and parts.

PRECIP FERROUS CHLORIDE SOLUTION-GRADE A

7-7305:

Our product 7-7305 *PRECIP* Ferrous Chloride Solution-Grade A is designed for use in Phosphate Precipitation and the removal of Sulfide Based Odors along with the reduction of Arsenic and Mercury in Wastewater. Due to the superior quality of material, more Phosphate Precipitation occurs and the consumption of *PRECIP* becomes less, resulting in an actual cost savings. Because *PRECIP* is produced with the same care used for potable water production (THOUGH NO NSF CERTIFICATION IS REQUIRED FOR WASTEWATER TREATMENT), *PRECIP* carries no potentially harmful byproducts as some products that are reclaimed from metal processing. Finally, *PRECIP* has been designated to conform to the California Safe Drinking Water and Toxic Enforcement Act of 1986. "This material not known to contain any chemicals currently listed as carcinogens or reproductive toxins." We believe *PRECIP* GRADE A is the most cost effective, high quality and safe product to use in the application of wastewater treatment.

PURE EZ LIFT STATION DEGREASER & ODOR BLANKET

0-701: ***

PURE EZ all-natural floating lift station degreaser keeps lift station surfaces free of grease. As waste water levels rise and fall, heavy grease deposits are deposited on lift station walls and surfaces of the lift station. This special non-emulsifying formula floats on the surface of the water, so it continues to remove deposits as the water level changes quickly and safely. *PURE EZ* contains a soybean oil derivative which does not evaporate as fast as other solvents, so it remains on the surface of waste water longer to penetrate fats, grease and dirt and strip them away from surfaces. *PURE EZ* will not disrupt the natural biological digestion of bacteria in the lift station. *PURE EZ* has a light citrus odor that inhibits and stops malodors.

REAM-IT THERMO CHEMICAL DRAIN MAINTAINER

0-8011: ***

REAM-IT is a powerful crystallized potent caustic drain opener and maintainer with a pleasant citrus scent. *REAM-IT* does not produce any bad smelling fumes. This product will clear clogged drains of hair, paper, grease, soap scum and slime. *REAM-IT* flushes urine salts from urinal traps and restores drains to full flow. *REAM-IT* will not harm pipes or fittings and is biodegradable.

SEWER SWEETNER CHERRY

0-375: ***

This powerful liquid deodorizer was formulated to control obnoxious odors in sewage plants, lagoons, mains and laterals and other wastewater facilities. It controls odors without using harmful solvents and will not disrupt the natural bacterial action in digesters, septic tanks and drain fields.

SEWER SWEETNER LEMON

0-371: ***

This powerful liquid deodorizer was formulated to control obnoxious odors in sewage plants, lagoons, mains and laterals and other wastewater facilities. It controls odors without using harmful solvents and will not disrupt the natural bacterial action in digesters, septic tanks and drain fields.

SILT AND SAND FLUSH

0-380: ***

SILT AND SAND FLUSH designed to break up and disperse all types of organic and inorganic deposits that cloud up and collect in storm and sanitary sewers. *SILT AND SAND FLUSH* separates mud, dirt, silt and sand from the water and makes it easier to flush the deposits out to keep piping, wells and basins clean and unobstructed. *SILT AND SAND FLUSH* comes ready to use and clears deposits from storm and sanitary sewers.

FLOOR AND CARPET CARE

DEEP GLOSS ACRYLIC FLOOR FINISH

1-718:

DEEP GLOSS is an 18-20% solids metal cross-link formula that can be scrubbed daily with high speed automatic floor maintenance equipment without damage or dulling. This floor finish resists black marks, is extremely bright and levels well. Applications of 2,000 square feet per gallon in even thin coats show the best results. It consists of metal cross linked acrylic polymers and polyethylene.

EXTRACTO STEAM EXTRACTION FLUID

1-711:

EXTRACTO has been formulated to be used with all types of extraction carpet cleaning equipment. It revives the color and enlivens the fibers of carpet piles so that they actually rise with life. This product contains special cleaning solvents which thoroughly clean all types of carpet. It leaves no sticky residue to quickly re-soil carpet. Absolutely safe to use on any material that water will not harm.

GONE II CARPET STAIN REMOVER-AEROSOL

1-247: ***

GONE II is USDA authorized water base spot and stain remover. *GONE II* contains degreasers and surfactants which rapidly cleans all types of spots and stains without damaging carpet fabrics. *GONE II* contains an odor modifier which destroys noxious odors, leaving a pleasant fragrance. The inverted valve is quick and easy to use.

LIGHTNING NON-AMMONIATED WAX STRIPPER

1-700:

LIGHTNING is a highly concentrated, heavy duty, non-ammoniated wax stripper. Use on terrazzo, concrete and tile floors. Not recommended for use on wood or cork. *LIGHTNING* removes all types of wax and polymer finishes. *LIGHTNING* contains strong wetting agents and penetrants which work to strip floors quickly and safely. Its low sudsing and odorless. Dilute with up to 20 parts water to strip most floors. This product is excellent for use in automatic floor scrubbing machines to clean warehouse floors because of its low foaming properties. Dilute with up to 50 parts water for this application.

MAXI-GLO

1-275:

MAXI GLO is a USDA authorized all-purpose neutral cleaner. *MAXI GLO* dilutes up to 128:1 with water and cleans all surfaces including tile, terrazzo, porcelain, marble, concrete, wood, enamel and metal. *MAXI GLO* contains surfactants, emulsifiers and wetting agents to clean oil, grease, grime, dirt, inks and most other soils. It will not harm any surface not harmed by water. *MAXI GLO* is excellent for mopping floors coated with wax or floor finish.

NO-FOAM DEFOAMING SOLUTION

1-712:

NO FOAM de-foam concentrate, when added to a carpet cleaner recovery tank, quickly kills foam caused by detergents and other chemicals. *NO FOAM* may be used in water treatment plants, carpet cleaning, wax stripping, decorative fountains and many other applications.

NO RINSE MOP ON WAX STRIPPER

1-705:

NO RINSE is a USDA authorized wax stripper which requires no scrubbing. *NO RINSE* is formulated with a synergistic blend of solvents and wax emulsifying agents. Lifts and removes floor finishes without scrubbing. Mop agitation is all that is necessary. Rinsing is usually not required.

QUIK FREEZE CHEWING GUM REMOVER-AEROSOL

1-228: ***

FREEZE-IT CHEWING GUM REMOVER is a USDA authorized freezing agent which removes the tackiness of gum, wax, and most other sticky substances and aids in its removal from most surfaces.

STRIP-EZE BASEBOARD STRIPPER-AEROSOL

1-238:

STRIP-EZE is a USDA authorized cleaner in a gel base for quick effective removal of soil and wax on floors, baseboards and wall tiles. Thick gel formula stays where sprayed Upside-down valve allows easy application. The can sprays upside-down only.

TOP GUARD ENHANCEMENT THERAPY

0-TG-12:

TOP GUARD® will strengthen all high speed finishes and produce durability never before imagined. It has been proven in the field to create a lustrous “wet look” shine that is non-slip and very safe. Regular high speed buffing will result in a floor finish which is 20 to 30 times more durable and safer than ever before. *TOP GUARD®* BENEFITS: 50% Less Labor and 70% Less Supplies and is Non-Corrosive, Non-Hazardous and OSHA Smart.

VELVA SHEEN DUST MOP TREATMENT-AEROSOL

1-225:

VELVA SHEEN is a USDA authorized lemon and oil product. Contains oil for magnetic dust pick up and cleans many surfaces. Quickly saturates a dust mop but evaporates slowly. *VELVA SHEEN* can be used as a dust cloth treatment for small jobs and leaves surfaces completely free of dust, lint and hair. Restores wood surfaces and leaves other surfaces shining.

GROUPS AND INSECTICIDES

BARREN LONG-LASTING HERBICIDE

0-320:

BARREN is a non-selective herbicide and soil sterilant that kills a wide range of annual and perennial weeds and grasses. It offers a long lasting residual and total kill of weeds and grasses. It is only recommended for non-cropland areas away from residential recreational areas, outside of the drip line of trees and away from the roots of desired plants, brush, foliage and trees. *BARREN* keeps weeds from growing for up to one year.

BUG BAND™ INSECT REPELLANT WRIST OR BELT BANDS

6-88231:

BUG BAND™ wristband is an ideal way to dispense the powerful Geraniol repellent vapors. The vapors from the wristband form a protective shield around the immediate area, keeping blood sucking insects a safe distance from the person wearing the band. Bug Band is designed with a 'break-away' strap that snaps if the band is entangled and pulls on the persons arm. Bug Band has an 'active life' of up to 120 hours. This 'life' can be preserved if the band is sealed in its reusable storage pot between uses. *BUGBAND™* is an excellent repellent for all blood sucking bugs.

BUG BAN PERSONAL INSECT REPELLANT

1-458:

BUG BAN is an EPA registered personal insect repellent that contains 22.56% DEET plus two additional repellents and synergists that provide outstanding repelling action against disease-carrying insects. It repels mosquitoes, biting flies, chiggers, ticks and other insects including fleas on exposed skin. Has a special valve that allows product to be sprayed in any position.

BUZZ SAW INSECTICIDE-AEROSOL

0-8401:

BUZZ SAW kills and repels stinging insects. This powerful aerosol features two key ingredients. The first ingredient, Tetramethrin, provides fast knockdown to kill insects on the spot. The other ingredient, Permethrin, offers excellent residual action that creates an invisible barrier on surfaces to keep them from returning. It also features high dielectric strength, so it's safe to use around electrical equipment, and its "shotgun action" can hit insects and hives up to 20 feet away. Use both indoors and outdoors, wherever wasp and hornets build nests.

CIK CRAWLING INSECT KILLER-VANILLA SCENTED-AEROSOL 0-8407:

CIK is a Vanilla Scented Insecticide. It smells so good you will forget it's an insecticide. Do not let its mellow scent fool you. *CIK* has a powerful effect on crawling insects. Formulated with Tetramethrin, *CIK* drops bugs in their tracks. It also contains the Permethrin which establishes as an invisible barrier that keeps bugs from coming back. Best of all, this potent combination creates an insect defense system that lasts up to 3 months after only one application. *CIK* is effective on roaches, ants, crickets, spiders, sow bugs, earwigs, ticks and fleas.

CS101 ROACH AND ANT SPRAY-AEROSOL 1-429:

CS101 ROACH AND ANT SPRAY is an EPA registered, USDA authorized residual crack and crevice insecticide spray. *CS101* contains Diazinon for residual activity and Pyrethrin for quick knockdown and flushing action. *CS101* has a high delivery dual action valve and spout. Direct spray into hard to reach areas with stream action or use as a surface spray for baseboards, etc.

DEMISE POWDERED INSECTICIDE DEHYDRANT 0-60412:

NOT AVAILABLE IN WA

DEMISE POWDERED INSECTICIDE DEHYDRANT quickly and effectively saps the life out of fire ants, cockroaches, spiders, wasps, silverfish, dust mites, grain weevils, cadelles, bees and a variety of other insects by literally draining them of their moisture. Packaged in a convenient squeeze bottle, simply sprinkle *DEMISE* powder on top of fire ant hills, and around areas where bugs reside, especially near entrances. Once they track through *DEMISE POWDERED INSECTICIDE DEHYDRANT*, the special ingredient silicone dioxide immediately begins to "suck" valuable moisture from their bodies. Within a few steps they die of dehydration. If they are able to make it back to their nests, *DEMISE POWDERED INSECTICIDE DEHYDRANT* clings to their bodies and contaminates the rest of the colony. It provides residual action up to 6 months after application.

DOOM 2, 4-D SOLVENT BASE WEED KILLER-AEROSOL 1-452:

NOT AVAILABLE IN CA

DOOM is an EPA registered solvent base weed killer. It is a combination of 2, 4-D and Bromacil. This combination insures rapid top kill of all weeds and will also prevent future growth up to 1 year. Upside-down valve allows ease of use. The easy to use can sprays upside-down only.

DOUBLE TROUBLE WATER BASED INSECTICIDE CONTAINS PYRENONE & DIAZINON

1-464:

DOUBLE TROUBLE is a ready to use water base roach and ant spray. Contains Pyrenone to flush out and knock down crawling insects and Diazinon to give residual killing action. *DOUBLE TROUBLE* remains effective for weeks. Non-petroleum distillate based results in low odors after application and is Non-flammable.

DUMPSTER DEODORIZER WITH GERANIOL

6-8861:

GERANIOL DUMPSTER DEODORIZER is a product made with non-hazardous materials using naturally based ingredients as well as an all-natural insect repellent. *GERANIOL DUMPSTER DEODORIZER* uses ground corncob as the base material and in addition to being completely safe it provides everyone with significant benefits. Corncob is very absorbent so it tends to hold more of the odor killers and insect repellent than other brands on the market that use rock as a base.

ELIMINATOR-CONTACT & AQUATIC WEED KILLER

0-451:

ELIMINATOR is an herbicide that will kill most forms of plant growth without damage to the soil. Absorption and herbicidal action is usually quite rapid with effects visible in a few days. *ELIMINATOR* is inactivated on contact with soil. *ELIMINATOR* is also used to control aquatic weeds. Excellent for use as a liquid edger along driveways, walkways, headstones, etc.

ERADICATOR

1-454:

ERADICATOR is an EPA registered water base aerosol true multi-purpose insect killer. Contains the synthetic pyrethroid permethrin for quick knockdown and up to four weeks residual control of crawling and flying insects. Non-staining formula controls bedbugs and many other crawling insects. Controls houseflies, mosquitoes and many other flying insects. For use on dogs and on premises to control fleas and ticks. For use on livestock to control flies, fleas and gnats. Controls garden insects on ornamentals and plants. Authorized for use in animal quarters and milk houses.

FOGASOL II TOTAL RELEASE FOGGER-AEROSOL

1-437:

FOGASOL II is an EPA registered, USDA authorized, waterbase total release fogger. This product contains permethrin, pyretherin and MKG® 264. Its total release action provides trouble free one-step killing action. The fogging mist penetrates to all areas for thorough action.

LIGHTS OUT

1-465:

LIGHTS OUT is a water-based pesticide developed especially to control bed bugs. When applied as directed on the labeling, **Lights Out will kill bed bugs on contact.** 100% mortality occurs within 5-10 minutes of application, depending on life stage. Lights Out is also effective on other insects, cockroaches, ants, millipedes, carpet beetles, and fleas. Any of the listed insects coming into contact with a surface treated with Lights Out will be killed for up to 30 days after application. Lights Out Bed Bug Killer is made only with ingredients which qualify for the 25(b) exemption in the EPA Pesticide Regulations. The US EPA has identified a group of naturally derived chemicals as having pesticidal qualities which exhibit very low if any toxicity. These chemicals are identified in a special section of the EPA pesticide regulations known as section 25(b). In addition, the US EPA has identified a list of inert ingredients, again those which are generally considered to have very low to no toxicity, which can be used to formulate a pesticide with the 25(b) active ingredients. These products are not required to be registered as a pesticide by the EPA.

LIQUID FERTILIZER 16-8-24

0-245:

This concentrated liquid fertilizer provides the correct N-P-K ratio to start vigorous growth in the spring and sustain healthy development throughout the summer months. A high nitrogen/potassium level promotes dark green color, lush vegetation growth and vivid development of color in flowers. This liquid form penetrates the soil.

ON TIME METERED INSECTICIDE-AEROSOL

1-432:

ON TIME Metered insecticide can be used in commercial, food service and preparation areas of milk houses, hospitals, hotels, motels, factories, stores, ships, clubs, restaurants and schools. This blend of natural pyrethrin, piperonyl butoxide and MKG® 264 is classified F-1 by the USDA and is effective on flies, mosquitoes and gnats. One can treats up to 6,000 cubic feet of air space for 30 days, 24 hours a day.

STOMP WASP & HORNET SPRAY-AEROSOL

1-439:

STOMP is an EPA registered, high dielectric, non-chlorinated wasp and hornet spray. This product sprays 15 to 20 feet and can be used indoors (attics and other places where nests are built) or outdoors on hornet, wasp and yellow jacket nests. Dielectric strength is 40.1 KV (40,100 volts) by ASTM test method D-877.

SUPER WET-WETTING AGENT

0-395:

SUPER WET is an economical, water-soluble spreader and wetting agent that increases the effectiveness of herbicides, insecticides, fertilizers and other solutions by reducing their surface tension. It allows them to be absorbed more quickly into the soil and foliage while reducing run-off and waste. *SUPER WET* mixes up to 500 part water to 1 part *SUPER WET*.

TRIPLE THREAT SELECTIVE HERBICIDE BROADLEAF

0-363:

NOT AVAILABLE IN CA

TRIPLE THREAT is a selective herbicide for use on golf courses and ornamental turf areas. It is a water dilutable concentrate. *TRIPLE THREAT* contains 4.5% each of MCPP, 2, 4-D and 2, 4-DP non-volatile amine salts. *TRIPLE THREAT* blends the potent ingredient MCPP with 2,4-D and 2, 4-DP. This unique combination knocks out tough broadleaf weeds like clover, chick-weed, and vines – much better than plain 2, 4-D products.

TURF KING NON SELECTIVE HERBICIDE

0-322:

TURF KING is a non-selective, total kill herbicide designed for use where control of all vegetation is desired. Since most of the activity is done through the root, it requires adequate water to move the herbicide into the root zone. *TURF KING* is only recommended for non-cropland areas away from residential recreational areas, outside of the drip line of trees and away from the roots of desired plants, brush, foliage and trees. *TURF KING* is an emulsifiable concentrate with prometon.

WEED EASY GRANULATED NON SELECTIVE HERBICIDE

0-316:

WEED EASY is a total kill non-selective granular herbicide that kills a wide range of annual and perennial weeds and grasses. It offers a total kill of weeds and grasses with long-lasting residual action. It is only recommended for non-cropland areas away from residential recreational areas, outside of the drip line of trees and away from the roots of desired plants, brush, foliage and trees.

HAND AND BODY CARE

ANTI-BACTERIAL HAND CLEANER

6-X302:

Our most popular antibacterial product, formulated with 0.3% Triclosan to be effective against most common microorganisms. Lathers up quickly, moisturizes and deodorizes. Has a transparent amber gold appearance and softens the skin. Fits all 800 ml bag in the box dispensers.

BARRICADE PROTECTIVE HAND BARRIER CREAM-AEROSOL

1-589:

BARRICADE is a USDA authorized product specifically designed to be applied to the hands for protection. Protects exposed areas of skin from ink, acids, alkali's, grease, tar, oils, solvents, plastics, corrosive salts and other skin irritants.

CHERRY SCRUB WATERLESS HAND CLEANER WITH NATURAL PUMICE FOR THE DISPENSER 5000 SYSTEM

8-4800: ***

CHERRY SCRUB is a Heavy Duty Hand Soap fortified with natural U.S. Pumice to clean the dirtiest of hands. *CHERRY SCRUB* contains a new soy formula that makes this product the most ecologically friendly hand cleaner available today. *CHERRY SCRUB* conditions the hands with aloe vera, glycerin, vitamin E, jojoba and wheat germ extract. Helps prevent industrial dermatitis.

HAN-SAN GEL SKIN SANITIZER

1-693: ***

HAN-SAN instantly sanitizes hands without water or towels. This special blend of emollients and ethyl alcohol leaves hands sanitized, smooth and conditioned without an antiseptic smell and will not dry skin. Helps prevent bacterial transfer and reduces hospital acquired infections and dries in 15 seconds leaving hands with a fresh citrus fragrance.

KNOCK OUT HEAVY DUTY HAND SOAP WITH MICROSCRUBBERS

8-2212: ***

KNOCK OUT is a Heavy Duty Hand Soap that is fortified with microscrubbing beads to clean grease, water-based paints, ink and other hard to remove soils. *KNOCK OUT* conditions the hands with aloe vera, glycerin, vitamin E, jojoba and wheat germ extract. Because *KNOCK OUT* is VOC-free, solvent-free and biodegradable, it is truly environmentally safe.

KNOCK OUT HEAVY DUTY HAND SOAP W/ MICROSCRUBBERS FOR THE DISPENSER 5000 SYSTEM

8-4400: ***

KNOCK OUT is a Heavy Duty Hand Soap that is fortified with microscrubbing beads to clean grease, water-based paints, ink and other hard to remove soils. *KNOCK OUT* has a low foaming formula and a light, pleasant fragrance and contains a bacteriostat to help prevent industrial dermatitis. *KNOCK OUT* conditions the hands with aloe vera, glycerin, vitamin E, jojoba and wheat germ extract. Because *KNOCK OUT* is VOC-free, solvent-free and biodegradable, it is truly environmentally safe.

KNOCK OUT DISPENSER 5000 SYSTEM

8-5000: ***

KNOCK OUT DISPENSER 5000 SYSTEM is designed to efficiently dispense *KNOCK OUT* with ease. Quick changing Refill Tank empties 100%-NO WASTE. The pump itself is guaranteed for life. This is a 5000 ml system including the 1000ml. reservoir. This is the best and last pump system you will ever use.

KUTOL CLEAN SHAPE ANTI-BACTERIAL 1000 ML

8-65036:

Gold-colored soap featuring the superior germ-fighting power of TRICLOSAN (.3%) - proven to kill a wide variety of disease-causing bacteria, viruses and fungi on contact, including MRSA and VRE. It lathers up quickly and includes moisturizers and conditioners to soften hands-and deodorizers to eliminate even the most offensive odors. USDA E-4 listed.

KUTOL CLEAN SHAPE INSTANT HAND SANITIZER 1000 ML

8-65636:

INSTANT HAND SANITIZER instantly sanitizes hands without water or towels. It will not dry skin. Helps prevent bacterial transfer and reduces hospital acquired infections and dries in 15 seconds leaving hands fresh.

KUTOL CLEAN SHAPE PINK LOTION 1000 ML

8-68536:

PINK LOTION skin cleaner is a blend of natural soaps and synthetic cleaning agents to maximize cleaning with luxurious suds. It contains emollients to leave skin soft and smooth. *PINK LOTION* is formulated for medium to heavy soil removal to be used in a wide range of applications. Pleasant scent encourages frequent use. Pearlized appearance is aesthetically pleasing.

KUTOL DURAVIEW PINK LOTION SKIN CLEANER-2 LITER

8-5667:

PINK LOTION skin cleaner is a blend of natural soaps and synthetic cleaning agents to maximize cleaning with luxurious suds. It contains emollients to leave skin soft and smooth. *PINK LOTION* is formulated for medium to heavy soil removal to be used in a wide range of applications. Pleasant scent encourages frequent use. Pearlized appearance is aesthetically pleasing.

KUTOL DURAVIEW DISPENSERS

8-9909ZPL:

LOTION HAND SOAP

6-X300:

Our highest quality lotion soap with a thick, rich texture. Specifically formulated to condition and moisturize skin, and recommended where frequent, repeated hand washes are required. This soap is high-sudsing and easy-rinsing. Fits all 800 ml bag in the box dispensers.

MEGA KLEEN

8-235883:

This heavy duty, solvent free, walnut shell based cleaner does it all. It cleans the toughest soils, greases, inks, paints, and almost anything else. Fortified with a new generation emollient package that leaves your hands feeling great. The concentrated one soap that does it all.

OVATION INSTANT HAND SANITIZER (formerly Foamanator)

1-694:

OVATION kills 99% of most common germs that cause illness in as little as 15 seconds. No soap or water required. It does not contain alcohol and will not dry skin. Helps prevent bacterial transfer and reduces hospital acquired infections and dries in 15 seconds leaving hands with a fresh citrus fragrance.

SOOTHE CREME WATERLESS HAND CLEANER

1-681:

SOOTHE is a USDA authorized crème waterless hand cleaner. It's concentrated, heavy duty, yet gentle to hands. *SOOTHE* may be used with or without water. *SOOTHE* cleans deep down to remove even the most stubborn grease, oil, tar, ink and other soils. Leaves hands feeling smooth and smelling fresh and clean.

THICK N' SUDSY PINK LOTION HAND SOAP

1-678:

THICK N' SUDSY is a USDA authorized coconut oil based hand and body soap. It's a pleasant sweet almond fragrance. *THICK N' SUDSY* produces a rich foamy lather when applied to the hands and skin. Quickly removes grease, grime, and soils. *THICK N' SUDSY* is fortified with humectants, emollients, and other skin conditioners.

INDUSTRIAL COATINGS

CEIL IT CEILING TILE RESTORER

1-591:

CEIL IT is a unique clay based restoring system for acoustic ceiling tiles. Permanently bonds to the surface being restored without compromising acoustical sound absorption or fire retardant value. Covers water stains, smoke and fire damage, graffiti, paint, ballpoint ink, permanent marker and rusting nail heads, avoiding the need for costly replacement. *CEIL IT* leaves a clean, white coating that adds years to tile life. Also works as a non-bleeding primer/sealer for sign painters, a non-grain-raising primer for new wood, a base coat for wallpaper or vinyl wall coverings and as a base coat for galvanized metal.

CONVECTOR PAN SEALANT AEROSOL (formerly SUPER KOTE)

0-T64114:

CONVECTOR PAN SEALANT is a rubberized flexible coating that is impervious to water and will seal out rust and corrosion in your condensation pans while reducing unwanted vibration and sound in your air conditioning systems. **OTHER USES:** Reduces squeaks and noise of ducts, metal walls, metal sinks, plastic piping, and seals tree-pruning wounds, seals electrical junction boxes from dust, water and fumes.

DEFENSE EF METAL PARTS PROTECTOR-AEROSOL

1-554:

DEFENSE EF is a USDA authorized metal parts protector. Quickly coats metal parts, castings, winches, pulleys, tools, dies, pipe threads, hoists, jigs and riggings. *DEFENSE EF* gives indefinite indoor protection and long-lasting outdoor protection. Transparent amber color is easily seen through while showing its application and it sets up to a hard yet flexible coating in 2 hours. To remove, use kerosene or mineral spirits. *DEFENSE EF* is weldable and paintable. Does not contain chlorinated or fluorinated solvents.

ENDURE STAINLESS STEEL COATING-AEROSOL

0-T97413:

ENDURE STAINLESS STEEL COATING is a super tough, high-temperature, corrosion preventative coating. It contains overlapping stainless steel flakes which bond to the surface with polyurethane chemical-resistant resin. *ENDURE STAINLESS STEEL COATING* provides protection as well as beautification.

GOOD GRIP SLIP RESISTANT EPOXY COATING-AEROSOL 0-T91012: CLEAR

GOOD GRIP is a super hard, texturized, one part epoxy coating that quickly cures to a slip resistant rough grit surface. *GOOD GRIP* aids in the reduction of slip and fall accidents. *GOOD GRIP*'s unique aerosol contains a special synthetic grit with no sharp edges. One application lasts for months depending on traffic.

ALSO AVAILABLE: 0-T91112 GRAY
0-T91212 YELLOW
0-T91312 BLACK

GRAFFITI BARRIER

0-333:

A sacrificial graffiti protection barrier. It applies crystal clear on nearly any non-porous surface to provide a protective barrier against graffiti. When the surface gets tagged, simply peel away the barrier and the graffiti along with it, and apply a new coating. Not intended for use where rain may degrade the barrier.

MRO-HIGH SOLIDS INDUSTRIAL COATINGS-AEROSOL

0-T93000: GLOSS WHITE

This is a high solid industrial coating with a low solvent, maximum quality and performance formulation. It has single coat hiding power, and saves time and money. **One** 20oz size can (16oz net wt.) covers the equivalent of **four** economy brand low solids, 16oz size cans. **MRO** paints were tested best in corrosion protection against the competition by an independent laboratory. They have outstanding hardness and durability, and resist abrasion and heat.

ALSO AVAILABLE: FLAT WHITE 0-T93001: GLOSS BLACK 0-T93002:
FLAT BLACK 0-T93003: SAFETY ORANGE 0-T93004: SAFETY RED 0-T93005: SAFETY
GREEN 0-T93006: SAFETY BLUE 0-T93007: SAFETY YELLOW 0-T93008:

SURROUND COLD PIPE INSULATION-AEROSOL

1-588:

SURROUND is a spray on coating designed to prevent condensation on cold water pipes, refrigeration lines and coils, condensers, valves and valve fittings. *SURROUND* insulates and prevents moisture build up on water tanks, ice machines and duct work.

QUICK-ZINC GALVANIZE COATING-AEROSOL

1-570:

QUICK-ZINC is a high quality, high solids, heavy duty zinc coating designed to give superior corrosion protection. Prevents rust by galvanic action, dries to a flexible coating that bends without chipping. *QUICK-ZINC* can be used as a protective final coating or primer wherever iron or steel will be exposed to atmospheric or corrosive conditions.

RESTORE-RUST CONVERTER AND COATING

1-641:

RESTORE is a rust converter and protective coating that performs two operations at one time. First rust is converted from iron oxide to ferrous oxide, a black organic complex. Then, a clear acrylic coating is formed. The surface can be left as is or painted over using latex or oil based paint. The coating formed by the product is sufficient to last for years without painting. It can virtually be used on all rusted surfaces. Apply this ready to use product with a brush or swab.

REVIVE RUST CONVERTER-AEROSOL

1-596:

REVIVE eliminates rust stops corrosion and can be painted. It chemically neutralizes rust and leaves a tough, long term, rust preventative coating. Seals, protects and prolongs the life of ferrous metal. Rusted area turns to a black protective finish. The protective barrier, upon curing can be painted if desired. *REVIVE* is authorized by USDA for use in federally inspected meat and poultry plants.

SEAL UP ROOF PATCH AND LEAK SEALER-AEROSOL

7-4954:

SEAL UP is our new Roof Patch and Leak Sealer. *SEAL UP* is effective on asphalt, tile, slate, felt, wood, metal and most all other roofing materials. *SEAL UP* is designed for use on drip edges, overlapping seams, flashing, gutters and downspouts, shingles, rolled roofing and one-ply rubberized systems. *SEAL UP* is a great **emergency roof patch** because it can be used on wet or dry surfaces and can be built up to seal most patching needs. *SEAL UP* is a durable coating that stays flexible in variable weather conditions. Easily portable and is a convenient aerosol that eliminates messy clean up and waste.

THERMAL HEAT RESISTANT HIGH TEMP PAINT AEROSOL

Flat White - Flat Black – Aluminum

0-T93110:

This thermal paint withstands continuous temperatures up to 1200 degrees F (649 degrees C). It forms a super durable porcelain-like bond on surfaces at high temperatures and offers excellent resistance to gasoline, rust, salt spray, oil, and grease.

WEATHER GUARD

5-9355:

Absolute protection from the elements. Protects parts and components from water, dirt and airborne particles. Forms a protective dielectric seal on electrical connections. Keeps out water (even when submerged), wind, dust and foreign elements.

INDUSTRIAL DEGREASERS

CA QUIK KLEEN SAFETY SOLVENT & DEGREASER-AEROSOL

1-517: ***

CA QUIK KLEEN is a safety solvent and degreaser that is safe on energized electrical equipment. *CA QUIK KLEEN* is non-flammable, non-conductive, non-combustible and non-corrosive. It is fast drying and has a powerful flushing action and does not contain any petroleum distillates. *CA QUIK KLEEN* has a 36,200 volt dielectric strength that dissolves grease and rinses away dirt and grime without injury to working parts.

CITRA KLEEN FOAMING CITRUS CLEANER & DEGREASER-AEROSOL

1-207:

CITRA KLEEN all-purpose cleaner is a USDA authorized heavy duty citrus based foaming cleaner. It combines emulsifiers, surfactants and a citrus cleaner to give superior cleaning action on most surfaces. The high density, clinging foam allows it to be used on vertical and regular surfaces as well as horizontal surfaces, extending its usefulness.

CRUNCH II ORGANIC ENGINE DEGREASER-AEROSOL

1-825: ***

CRUNCH II is a USDA authorized concentrated blend of organic solvents in a gel base. The gel base allows product to cling to vertical surfaces. It works quickly to penetrate and emulsify tar, asphalt, grease and oil. It washes off with water or solvent. This product is safe and easy to use. Spray on and wash off with water. Does not contain 1,1,1 Trichloroethane, CFCs or petroleum distillates.

D-GREAZ

1-500:

D-GREAZ was developed to give industry a safer way to clean grease, tar, oil and grime from electrical and mechanical equipment. This formula contains no chlorinated or fluorinated solvents making it an ideal product to use in environmentally conscious situations or where highly toxic products are not suitable. It exhibits a 48,000 volt dielectric strength and is safe on most plastics.

DYNAMITE BUTYL CLEANER

1-266: ***

DYNAMITE is a USDA authorized heavy duty cleaner. *DYNAMITE* can be diluted up to 40-1 with water. Removes grease, dirt, oil and most other soils quickly and easily. *DYNAMITE* can be used in steam cleaners, warm or cold water and rotary machines. *DYNAMITE* contains solvents, detergents, emulsifiers, wetting agents, sequestering agents, penetrants and corrosion inhibitors.

GETAWAY DEGREASER AND OIL DISPERSANT

1-274:

GETAWAY is a USDA authorized concentrated non-butyl cleaner. Use full strength for extra tough cleaning jobs or dilute up to 128:1 for general purpose cleaning. Also use to clean up oil spills on waterways, lakes, oceans, and around drilling rigs. Also use for steam cleaning and power washing. *GETAWAY* is also an excellent bilge cleaner.

KLEEN ALL-ALL PURPOSE CLEANER-AEROSOL

1-211: ***

KLEEN ALL is a USDA authorized heavy-duty butyl base foaming cleaner. It combines emulsifiers, surfactants and a butyl cleaner to give superior cleaning action on most surfaces. The high-density clinging foam allows it to be used on vertical and irregular surfaces as well as horizontal surfaces, extending its usefulness.

LIQUID STEAM & PRESSURE WASH CONCENTRATE

0-405: ***

This powerful water based alkaline cleaner and degreaser is designed for use with high-temperature steam cleaners to quickly remove grease from metal, concrete and other hard surfaces. It can be diluted for specific cleaning jobs, and will not corrode, scale or damage the heating coils.

ORANGE ACTION II CLEANER DEGREASER DEODORIZER

0-227: ***

ORANGE ACTION II is a biodegradable non-toxic hard surface cleaner with a refreshing citrus fragrance. *ORANGE ACTION II* is a highly active formula for heavy and light duty cleaning and is free rinsing.

ORANGE ALL DEGREASER

0-37816:***

ORANGE ALL is a strong, d-Limonene-based cleaner and degreaser that can penetrate and loosen even the hardest soils and stains from just about any surface. *ORANGE ALL* is an excellent solvent for degreasing parts, printing presses, equipment and machinery.

ORANGE BLAST

0-39310:***

ORANGE BLAST is a water-rinsable industrial degreaser designed to remove grease, oil and tar deposits from motors, chassis, tools and parts.

POWER PUNCH 2000 PLUS CLEANER & DEGREASER

2-7988: ***

POWER PUNCH 2000 PLUS is a very highly concentrated safety solvent degreaser. *POWER PUNCH 2000 PLUS* can be used on a variety of general facility and equipment cleaning jobs including floors, walls, machinery, and equipment. *POWER PUNCH 2000* removes grease, carbon, soap scum, oil, soot, etc. All though powerful, *POWER PUNCH 2000 PLUS* is safe on most surfaces and is entirely biodegradable and USDA approved.

PRECISION ELECTRONIC CONTACT CLEANER

0-T80310:

Precision Electronic Contact Cleaner is a quick drying electrical grade cleaner and degreaser. It is residue free, plastic safe and high purity. Electronic cleaners do not contain more than 75% VOC.

PURE EZ ASPHALT RELEASE AGENT

0-700:

PURE EZ ASPHALT RELEASE AGENT is an asphalt release agent that provides a thin, heat-resistant molecular film to keep asphalt from sticking to dump beds, rollers, spreaders, rakes, shovels and other surfaces. Will not degrade asphalt quality.

QUICKLEEN SAFETY SOLVENT

1-611:

QUICKLEEN is a USDA authorized non-flammable solvent cleaner. It has no flash point at any temperature, medium-evaporation and does not leave any residue. *QUICKLEEN* dissolves grease, oils, soil and dirt. *QUICKLEEN* is excellent for electric motor cleaning and has a dielectric strength of 29,000 volts.

SCALE-A-WAY INDUSTRIAL DESCALER

1-628:

SCALE-A-WAY is a blend of detergents, acids and solvents that effectively remove scale, corrosion and lime deposits. *SCALE-A-WAY* is useful for a multitude of applications such as drain lines, coils, cooling towers, steam cleaners, and generators.

SOY THAT AGAIN

1-511:

SOY THAT AGAIN is a safe solvent degreaser formulated with plant derived materials. Ideal for use in facilities where low odor is a must and other environmentally conscious situations. Replaces highly volatile materials such as chlorinated solvents, petrochemical based cleaners and terpenes. This neutral pH, low VOC, non-flammable, bio-based product provides superior cleaning and degreasing. For use on industrial machinery and parts, tools, molds, plates, dies, engines, printing presses, concrete, brick, aluminum, finished and unfinished wood and more. Removes grease, oil, dirt, grime and carbon. VOC compliant in all 50 states. Rinses clean with water.

SUPER ORANGE ALL TAR & ASPHALT REMOVER- AEROSOL

1-506: ***

SUPER ORANGE ALL contains natural orange oil solvent to quickly cut through tar, asphalt, grease, gum, ink, decals, crayon and more. *SUPER ORANGE ALL* contains no petroleum distillates or alkalis. *SUPER ORANGE ALL* is completely biodegradable and leaves a pleasant orange fragrance during and after use.

SUPER QUICK KLEEN II SAFETY SOLVENT-AEROSOL

1-513: ***

SUPER QUICK KLEEN II is USDA authorized non-flammable and non-conductive parts cleaner. It's safe for use on metal parts, electric motors, and sub-assemblies. *SUPER QUICK KLEEN II* cleans oil, grease and dirt from parts without leaving a residue. *SUPER QUICK KLEEN II* can be used while equipment is operating and has a dielectric strength of 29,000 volts. *SUPER QUICK KLEEN II* does not contain 1,1,1 Trichloroethane.

ZIP CITRUS CLEANER & DEGREASER

1-264:

ZIP is a USDA authorized multi-purpose cleaner and degreaser that can be diluted up to 20:1 with water. Quickly cleans walls, floors, machinery, vinyl and carpets. Removes grease, carbon, soot, ink, food, and most other soils. *ZIP* contains strong cleaners, emulsifiers, penetrants, wetting agents and soil suspension agents and is Non-Flammable.

INDUSTRIAL PRODUCTS & LUBRICANTS

ACC ACID COIL CLEANER-PHOSPHORIC ACID

0-101: ***

ACC COIL CLEANER is designed for air conditioner and refrigeration coils. This phosphoric acid based cleaner removes dust, dirt, grime and grease from aluminum or copper coils and fins of cooling units and air conditioners. When used regularly, it keeps coils clean to promote more efficient operation and lowers the power consumption of air conditioner and refrigeration units.

BIG GREEN SUPER IMPACT NON-MELT E.P. GREASE, GREEN 1-L106:

BIG GREEN is a multi-use grease for hundreds of automotive, marine and agricultural applications. Extreme pressure additives give resistance to shock impact. Bentone based formula does not liquify at high temperatures like soap based greases, yet remains pumpable at low temperatures. Forms a protective film, resists rust and corrosion. Resists chemical break down and oxidation. This waterproof lubricant will not wash out even by boiling water and steam. Excellent for use on high and low speed ball and roller bearings, couplings, mechanical linkages, pumps, universal joints, ball joints, and fifth wheels. For use in all areas of industrial maintenance.

BIG RED PREMIUM NON-MELT MULTI-PURPOSE E.P. GREASE

1-L103:

BIG RED GREASE is used for hundreds of automotive, marine, industrial and agricultural applications. Extreme pressure additives give resistance to shock and impact. Won't liquefy at high temperatures like soap based greases, yet remains pumpable at low temperatures. *BIG RED GREASE* forms a protective film resisting rust and corrosion. It resists chemical breakdown and oxidation. *BIG RED GREASE* is waterproof, will not wash out, even with boiling water or steam.

BIO-CIDE MICROBICIDE FOR COOLING TOWER WATER

0-637:

This liquid additive prevents biological fouling and controls the build-up of algae and bacteria in re-circulating commercial and industrial water-cooling towers. It features a broad- spectrum micro biocide that reduces the growth of fungi, slime and other organic deposits. It can be applied to systems by slug addition at fill concentration, or mixed at lower dilution rates for routine maintenance or customized applications.

BOILER COMPLETE TREAT H

0-901:

This liquid additive features a multifunctional formula with alkalinity builders, oxygen scavengers, sludge dispersants and corrosion inhibitors to offer superior water treatment. It was designed for use in hard water systems and can be used with an automated continuous feed system. It also travels along with the steam with the system to protect steam and condensate plumbing so that it's operating in top condition.

BOILER COMPLETE TREAT S

0-1960:

This all in one liquid soft water boiler treatment features a multifunctional formula with the entire necessary chemical for complete treatment in one convenient liquid. It combines hardness control with oxygen scavengers and a volatile amine corrosion inhibitor that travels along with the steam to protect both the steam and condensate plumbing. It can be used with an automated continuous feed system, and is safe to use with other boiler chemicals.

BOILER TREAT H SCALE & CORROSION INHIBITOR

0-903:

This liquid additive was designed to prevent the deposition of lime, scale, rust and other minerals in large water-treatment boilers. It was designed for use in hard water systems, or mixed with other boiler treatment chemicals on a weekly maintenance schedule.

BOILER TREAT S

0-1958:

This liquid steam boiler additive is a phosphate-based cycle treatment fortified with a proven polymeric scale inhibitor. It was designed for use in soft water environments and can be used with an automated continuous feed system. It is safe to use with other boiler treatment chemicals, especially steam line treatments and oxygen scavengers.

CA GREASE GUN

0-T98011:

A special penetrating formula that sprays as a liquid to flush off old contaminated lubricant, creep deeply into working parts and then set up to a viscous, thick grease. It withstands temperatures up to 500°F. Highly resistant to water, acid and detergent wash-out.

CA SUPER ELECTRA PEN II

1-532:

A fast acting PENETRANT that quickly cuts through dirt, rust and scale to creep into parts which have become frozen by or encrusted with corrosion and oxidation. A long-lasting LUBRICANT which loosens dirt, rust and other corrosive elements. It also reduces friction and will not become dry, brittle or hard. It prevents surface deterioration by acting as a DEMOISTURANT and a PROTECTANT because of its unique molecular film.

CBC CIRCUIT BOARD CLEANER-AEROSOL

1-514: ***

NOT AVAILABLE IN CA

CBC CIRCUIT BOARD CLEANER has a fast evaporation rate and is residue free. The dielectric rating is to 25,000 volts and is ozone safe and has no CFCs or HCFCs. *CBC CIRCUIT BOARD CLEANER* is safe to use on plastics, rubber and metal. Use to remove dirt, oil, and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays.

CLEARLUBE II PENETRATING TEFLON® LUBE-AEROSOL

1-581:

CLEARLUBE II is a non-staining clear Teflon® lubricant designed to penetrate tight tolerances and form a tenacious lubricating film. *CLEARLUBE II* withstands high temperatures and resists water washout. It is a super extreme pressure lubricant and is a non-washout. It is dispensed like a penetrant that gets into hard to reach areas and sets up within minutes to a heavy duty grease for long lasting lubrication.

CONVECTOR PAN SEALANT AEROSOL (formerly Super Kote)

0-T64114:

CONVECTOR PAN SEALANT is a rubberized flexible coating that is impervious to water and will seal out rust and corrosion in your condensation pans while reducing unwanted vibration and sound in your air conditioning systems. **OTHER USES:** Reduces squeaks and noise of ducts, metal walls, metal sinks, plastic piping, and seals tree-pruning wounds, seals electrical junction boxes from dust, water and fumes.

DRY-SLIDE SILICONE DRY LUBRICANT

1-538:

DRY-SLIDE Dry Silicone Spray is a Food Grade lubricant designed to lubricate equipment. *DRY-SLIDE* leaves a non-staining, dry, pure silicone film to lubricate moving parts, reducing friction and wear. *DRY-SLIDE* is heat stable from -450°F to 450°F. It's formulated as a release agent on seals and gaskets of tank closures. *DRY-SLIDE* lubricates all sliding surfaces except those you wish to paint. Excellent on RV slide outs. Use on sticking metal, wood, rubber and plastic. Apply to cutting tables, conveyors, heat sealing equipment and slicing equipment. Waterproofs leather, canvas, rubber and chrome surfaces. It's safe on all plastics and contains no Methylene chloride. *DRY-SLIDE* won't melt, freeze, gum or become rancid.

ELECTRA-DRI

1-536:

NOT AVAILABLE IN CA

ELECTRA-DRI is formulated to give excellent lubrication, corrosion prevention and cleaning of all metal parts. Quickly penetrates corrosion, rust and moisture to free and loosen sticking parts and provide lubrication. Formula is nonflammable and nonconductive to 29,000 volts. Cleans, lubricates, penetrates and prevents rust for true four-way action. Areas of use include industrial machinery, machine shops, homes, cars, trucks, oil rigs, and machine parts.

E-Z GLIDE SILICONE LUBRICANT-AEROSOL

1-537:

E-Z GLIDE is a USDA authorized multi-purpose silicone spray lubricant. The non-flammable formula is safe to use in most plant areas. *E-Z GLIDE* uses a high viscosity silicone for extremely long lasting lubrication and protection. *E-Z GLIDE* is NON-CONDUCTIVE to 28,000 volts. *E-ZGLIDE* is stable at temperatures up to 400°F.

EZ LUBE FOOD GRADE WHITE GREASE NSF RATING H-1

1-L108:

A multi-purpose, high purity food grade lubricant that provides long lasting grease protection. Withstands heat to 500°F. Temperatures above 400°F may require periodic reapplication. For use by bakeries, bottlers, breweries, canneries, dairies, egg processors, meat and poultry processors, pharmaceutical manufacturers and food processing and packaging plants. NSF rated H1.

E-Z LUBE WHITE FOOD GRADE GREASE-AEROSOL

1-577:

E-Z LUBE has the highest recommendation for a lubricant with food contact. A high viscosity, high temperature grease specially formulate for the food packaging and pharmaceutical industries. *E-Z LUBE* protects equipment against rust, oxidation and wear. Resists throw-off, shear breakdown and water and detergent wash out.

GEAR LUBE EF OPEN GEAR LUBRICANT-AEROSOL

1-542:

OPEN GEAR LUBRICANT is a tar based lubricant. This thick tacky fluid stays on the gear where it is needed, has a high temperature stability to 175° F plus. Special formula allows material to stretch, insuring contact with all gear surfaces.

GREASE GUN NON-MELT SPRAY GREASE-AEROSOL

1-572:

NOT AVAILABLE IN CA

GREASE GUN is a USDA authorized high temperature, non-melting, inorganic red grease which will withstand temperatures up to 500°F. It sprays out as a liquid that transforms into thick grease in minutes. *GREASE GUN* contains a high-pressure additive that reduces wear and extends operating life of all parts and machinery. *GREASE GUN* prevents seizing and loosens frozen parts. It contains no chlorinated or fluorinated solvents making it more environmentally friendly than its counterparts

ICE MACHINE CLEANER

1-666:

ICE MACHINE CLEANER removes lime scale from ice making equipment quickly. Works safely on stainless steel, contains NO chlorine or chlorides and does not give off harsh fumes. Authorized for use by the USDA in federally inspected meat and poultry plants. Ice Machine cleaner improves ice capacity and quality by removing built-up scale that causes ice to stick to mechanisms and can cause jamming. Works great on ice making equipment, coffee brewers and humidifiers.

KOOL-METAL WORKING SYNTHETIC COOLANT AND LUBE CONCENTRATE

0-303:

KOOL-METAL is a water-dilutable coolant and lube that is designed for use with all ferrous and non-ferrous metals in cutting, grinding, turning and other machining operations. When diluted, it makes a clear solution to give the operator an unobstructed view of the work piece. Its synthetic formula does not contain silicone or sulfur, and is enhanced with corrosion inhibitors to prevent flash rusting until the piece is painted.

KOOL CUT CUTTING TOOL LUBRICANT-AEROSOL

1-584:

KOOL CUT is a specially formulated coolant for cutting tools. This product will lubricate and cool. It reduces friction in threading, drilling, tapping and reaming applications. It does not contain carbon tetrachloride or sulfur. Non-Flammable.

KOPPER LUBE COPPER-BASED ANTI-SEIZE 14.5 OZ CARTRIDGES

1-L660:

KOPPER LUBE is a copper-based anti-seize lubricant formulated to withstand high temperatures and extreme pressures yet continues ground conductivity better than ordinary lubricants. Embedded with copper to improve conductivity. Seals out moisture, gases and corrosive fluids from threaded connections. Prevents seizing and galling at metal contact points. Contains rust and corrosion inhibitors to assure long life of connectors.

LOOP TREAT NITRO

0-1983:

This liquid scale and corrosion inhibitor is designed for use in either hot or cold water closed loop re-circulating systems. It features a borate/nitrate formula for superior scale and corrosion inhibition, with easy testing and control. It can be injected directly into the re-circulating system through the use of a bypass feeder, or applied by use of mild steel piping and feeding equipment.

LOOP TREAT POLY

0-1984:

This organic polymer based liquid scale and corrosion inhibitor is designed for use in either hot or cold water closed loop re-circulating systems. It features a phosphate-based formula with a polymer dispersant for anti-precipitating and sequestering harmful hard water scale. It can be injected directly into the re-circulating system through the use of a bypass feeder, or applied by use of mild steel piping and feeding equipment.

MICRO-DRY LUBRICANT-TEFLON®-AEROSOL

1-566

MICRO-DRY is a multi-purpose, dry film lubricant and release agent. It provides microscopic film-forming properties more slippery than silicone. *MICRO-DRY* dries to a light Teflon® powder in minutes. *MICRO-DRY* burnishes into metal surfaces for superior lubrication.

MOLY TUFF PREMIUM NON-MELT MULTI-PURPOSE MOLY GREASE

1-L102:

MOLY TUFF is multi-purpose moly grease for hundreds of automotive, marine, industrial and agricultural applications. Extreme pressure additives give resistance to shock and impact. Does not liquefy at high temperatures like soap based greases, yet remains pumpable at low temperatures. *MOLY TUFF* forms a protective film resisting rust and corrosion. It resists chemical breakdown and oxidation. It's waterproof and will not wash out-even with boiling water or steam.

MR. BLUE PREMIUM LITHIUM E.P. (EXTREME PRESSURE) GREASE, BLUE

1-L105:

MR. BLUE is a multi-use grease for hundreds of automotive, marine, industrial and agricultural applications. Does not dry out after use as some clay based greases do. Remains pumpable at low temperatures. Forms protective film, resisting rust and corrosion. Resists chemical breakdown and oxidation. This waterproof lubricant will not wash out. Suitable for medium sized high speed bearings. Excellent for use on ball bearings, roller bearings, couplings, mechanical linkages, pumps, universal joints, ball joints, fifth wheels, wheel bearings, chassis.

MR. GREEN PREMIUM LITHIUM E.P. GREASE WITH MOLY

1-L104:

MR. GREEN is multi-purpose non-melt grease for hundreds of automotive, marine, industrial and agricultural applications. An organic moly additive gives high resistance to shock and impact. *MR. GREEN* does not dry out after use as some clay based greases do, yet remains pumpable at low temperatures. *MR. GREEN* forms a protective film resisting rust and corrosion. It resists chemical breakdown and oxidation, and is waterproof. *MR. GREEN* will not wash out.

MR. JOE PREMIUM LITHIUM E.P. GREASE, AMBER

1-L107:

MR. JOE is a multi-use lithium-complex grease for hundreds of automotive, marine, industrial and agricultural applications. Does not dry out after use as some clay based greases do. Remains pumpable at low temperatures. Forms protective film, resisting rust and corrosion. Resists chemical breakdown and oxidation. This waterproof lubricant will not wash out. Excellent for use on high and low speed ball and roller bearings, couplings, mechanical linkages, pumps, universal joints, ball joints, fifth wheels, wheel bearings and chassis. For use in all areas of industrial maintenance.

MR. MECHANIC LUBRICANT-AEROSOL

1-534:

MR. MECHANIC is a USDA authorized greaseless lubricant for general use. *MR. MECHANIC* contains a light mineral oil in a petroleum distillate base with a corrosion preventative for long lasting protection. Cleans, lubricates, penetrates and prevents rust giving four-way protection.

NO SWEAT COLD PIPE INSULATION-AEROSOL

1-588:

NO SWEAT is a spray on coating designed to prevent condensation on cold water pipes, refrigeration lines and coils, condensers, valves and valve fittings. *NO SWEAT* insulates and prevents moisture build up on water tanks, ice machines and duct work.

NUCHAIN CHAIN & CABLE LUBE WITH MOLY-AEROSOL

1-576:

NUCHAIN CHAIN & CABLE LUBRICANT WITH MOLY is a specially designed to provide maximum protection to wire ropes and chains of all types. *NUCHAIN* will completely penetrate into the strands of wire ropes providing the ultimate in lubrication. Does not build up on chains to attract dust or dirt, but provides complete lubrication of rollers, pins and bushings.

OXY TREAT

0-927:

This liquid is a catalyzed oxygen scavenger that quickly removes dissolved oxygen from boiler feed water. It also provides additional protection against pitting and corrosion of internal boiler surfaces when used in conjunction with scale and corrosion inhibitors. Plus, it can be mixed with other treatment products and fed into the feed water system, or fed directly into the boiler.

PRECISION ELECTRONIC CONTACT CLEANER

0-T80310:

Precision Electronic Contact Cleaner is a quick drying electrical grade cleaner and degreaser. It is residue free, plastic safe and high purity. Electronic cleaners do not contain more than 75% VOC.

PURE EZ DEGREASER

0-702:

PURE EZ™ DEGREASER is a safe alternative to hazardous petroleum-based degreasers or harsh alkaline cleaners. Combines d-Limonene and soy to dissolve the heaviest grease deposits. Ideal for use on concrete, masonry, machinery, motors, equipment, metal parts, parts washers, fabric, rugs and upholstery. Effective against gum, wax, oil, tar, asphalt, candle wax, dirt, adhesives, and grease and grime.

RUST RELEASE FOAMING PENETRATING & CUTTING OIL-AEROSOL

1-569:

RUST RELEASE is designed to be used on farm equipment, sports equipment, and industrial equipment. This fast penetrating product lubricates, displaces moisture, frees sticking parts, stops squeaks, stops rust and corrosion and provides long lasting protection.

SLICK TEFLON® PENETRATING LUBRICANT-AEROSOL

1-574:

SLICK is a USDA authorized penetrating lubricant containing Teflon®. Frees frozen parts, penetrates, prevents rusting, lubricates. Quickly penetrates to free rusted parts. Teflon® continues to lubricate after application. Contains a corrosion preventative to protect metal parts.

SLUDGE TREAT FOR BOILERS

0-645:

This liquid steam boiler treatment is a non-phosphate dispersant and scale inhibitor designed for use as a supplement to chelant, carbonate or phosphate treatments. It removes and controls scale and other deposits caused by calcium, magnesium, barium, aluminum and iron. It also acts as a polymeric sludge conditioner. It is a polymeric dispersant and conditioner.

SLIP-NOT BELT DRESSING-AEROSOL

1-552:

SLIP-NOT BELT DRESSING is a USDA authorized resin based spray, designed specifically to reduce slippage of all types of power belts whether round, flat or V. Compatible with fabric, leather or rubber belts. Also helps clean and prolong life of belts.

SRCC SELF RINSING COIL CLEANER-AEROSOL

1-541: ***

AVAILABLE IN BULK CONCENTRATE 5-541:

SRCC is formulated to penetrate in air-conditioner coils and fins to remove all types of soils. Upon contact with the surface of the coil, *SRCC* begins to react and flush soil to the surface. It is not necessary to rinse if applied in place to a functional unit. Moisture produced will rinse product from contacted surfaces. Rinsing is required on units that have been removed for repair or cleaning.

STEAM TREAT CORROSION PROTECTOR

0-1928:

STEAM TREAT was formulated to provide corrosion protection in steam boiler condensate systems and other associated power equipment. Regular usage provides a pH adjustment to the untreated steam condensate and prevents the formation of harmful acids. It also provides protection to return lines and reduces the iron and copper content of the condensate.

SUPER DRY MOLY-DRY LUBRICANT SPRAY-AEROSOL

1-544:

SUPER DRY MOLY is a USDA authorized dry film lubricant containing molybdenum disulfide, fast drying with minimal transfer. Service temperatures range from minus 20⁰ F to 1000⁰ F. It's ideal for those lubricating jobs when a liquid lubricant cannot be used.

SUPER GEL STRIP PAINT AND VARNISH REMOVER-AEROSOL

1-559:

SUPER GEL STRIP is a quick, blistering action gel that clings to vertical surfaces. High solvency formula strips to original substrate. Water flushable or scraped away, without attacking the substrates such as wood, metal, masonry, stone or ceramics. The blistered coatings can be scraped off or flushed away with water. *SUPER GEL STRIP* effectively removes gum from concrete.

SUPER QUICK KLEEN II SAFETY SOLVENT-AEROSOL

1-513: ***

SUPER QUICK KLEEN II is USDA authorized non-flammable and non-conductive parts cleaner. It's safe for use on metal parts, electric motors, and sub-assemblies. *SUPER QUICK KLEEN II* cleans oil, grease and dirt from parts without leaving a residue. *SUPER QUICK KLEEN II* can be used while equipment is operating and has a dielectric strength of 29,000 volts. *SUPER QUICK KLEEN II* does not contain 1,1,1 Trichloroethane.

SUPER ORANGE ALL TAR, ASPHALT REMOVER-AEROSOL

1-506: ***

SUPER ORANGE ALL contains natural orange oil solvent to quickly cut through tar, asphalt, grease, gum, ink, decals, crayon and more. *SUPER ORANGE ALL* contains no petroleum distillates or alkalis. *SUPER ORANGE ALL* is completely biodegradable and leaves a pleasant orange fragrance during and after use.

SUPER PEN 4 PENETRATING LUBRICANT-AEROSOL

1-550:

NOT IN CA

SUPER PEN 4 is a USDA authorized lubricating product. It is formulated to quickly penetrate rust, corrosion and moisture. *SUPER PEN 4* lubricates, cleans and contains rust inhibitors. *SUPER PEN 4* is non-flammable and non-conductive to 30,000 volts. *SUPER PEN 4* has a four way action that cleans, lubricates, penetrates and prevents rust.

SURRENDER ANTI-SEIZE-BRUSH TOP CANS

1-L639:

SURRENDER ANTI-SEIZE is a blend of paraffinic oil and solids that when used insures resistance to decomposition and oxidation under extreme temperature conditions. It's anti-wear and extreme pressure fortified. *SURRENDER* is a specialty lubricant to prevent friction wear and reduce galling and seizing of metal contact. This product has been approved by the USDA for use in meat and poultry plants where no contact with food occurs.

SURRENDER EF ANTI-SEIZE-AEROSOL

1-546:

SURRENDER EF ANTI-SEIZE SPRAY is a USDA authorized lubricant. *SURRENDER EF* contains molybdenum disulfide, graphite and aluminum in a thick grease base. Helps eliminate seizing of threaded parts. Temperature service ranges from -20⁰ F to +2000⁰ F. Helps cool bearings. Does not contain any chlorinated or fluorinated solvents.

SURRENDER ULTRA HI-TEMP ANTI-SEIZE 14.5 OZ CARTRIDGES

1-L639:

SURRENDER is a non-melt lubricant formulated to withstand high temperatures and extreme pressures. The blend of paraffinic oil and solids used insures a resistance to decomposition and oxidation under extreme temperature conditions. It is fortified with anti-wear, extreme pressure and anti-oxidant additives to provide a multipurpose application for the product. *SURRENDER* is a specialty lubricant to prevent friction wear and reduce galling and seizing of metal contact. This product has been approved by the USDA for use in meat and poultry plants where no contact with food occurs. For use on flanges, nuts, valves, fuel injectors, pins, transmission shafts, brake anchor pins, marine engines, valves, stationary engines, turbines, piping, compressors, and cylinder heads. Areas of use include factories, industrial plants, workshops and warehouses.

TOWER-CIDE

0-630:

TOWER CIDE is a water soluble microbiological growth inhibitor. This liquid additive is used to control algae, bacteria and fungi growth in re-circulating commercial and industrial water cooling towers. *TOWER CIDES* highly concentrated formula requires as little as 12 ppm to be effective.

TOWER TREAT H

0-1933:

TOWER TREAT H is a scale and corrosion inhibitor that is specifically formulated for open re-circulating cooling tower systems in areas of high hardness and high alkalinity scaling waters. It also contains an additional polymer designed to help inhibit scale and deposition in a wide variety of aqueous systems. This product can be used with an automated continuous feed system.

TOWER TREAT S

0-1935:

TOWER TREAT S is a scale and corrosion inhibitor that is specifically formulated for open re-circulating cooling tower systems in areas of low hardness and low alkalinity and highly corrosive scaling waters. It also contains an additional polymer dispersant designed to insure sludge and scale are easily removed from the system through a regular bleed-off program. This product can be used with an automated continuous feed system.

TUNNEL TORNADO ACID REPLACEMENT CLEANER

0-135: ***

TUNNEL TORNADO CONCENTRATE is a powerful yet safe multi-functional cleaner that combines the safe cleaning performance of an acid with the mildness of liquid dish soap and is safe to users and the environment. Tunnel Tornado removes Rust, Calcium (hard water scale) Soap Scum, Lime, Mold, Mildew, and Grease, Milk Stone from surfaces such as Stainless Steel, Copper, Brass, Aluminum, Concrete, Ceramic, Stone, Brick Fiberglass, Grouting, and Fabric Rust Remover.

SPECIALTIES

ACT-299 AIR CONDITIONER TREATMENT PACKS

0-103050:

ACT-299 is an exciting new product that prevents and eliminates most blocked condensate drain lines due to build-up of scale, rust, air-borne dust, silt, slime and sludge. ACT-299 aids in the prevention of bacterial build up in condensate pans and combats stale water odors. ACT-299 helps prevent condensate drain back-up damage.

DIAMOND MIST-AEROSOL

0-T12914:

DIAMOND MIST is a clear anti-static, anti-fog cleaner and coating tested safe on glass, plastic, Plexiglas® and acrylic surfaces. Diamond Mist will not streak or haze on these substrates. Diamond Mist quickly fills in minute scratches to help eliminate glare. Diamond Mist will not cause stress crazing or clouding. Because Diamond Mist is non-flammable with low VOC, it is more environmentally friendly than many other protectants in the marketplace. Great for use on glass doors, mirrors, golf cart windshields, heavy equipment shields, goggles and many other areas of manufacturing plants, hospitals, hotels, school, fire departments and airports.

DUST B GONE DUSTER-AEROSOL

1-250:

DUST B GONE is a USDA authorized product which is a blend of environmentally safe ingredients packaged at high pressure to offer a quick method of removing dust, paper chips, staples, paper clips and other foreign material.

ENVIRO-SORB HIGH VOLUME OIL ABSORBENT

7-37075: ***

ENVIRO-SORB is a 100% organic and environmentally friendly oil only absorbent that makes cleaning up oil spills both easy and economical. Since it only absorbs oil, it can be used to prevent oil spills from contaminating storm drains and other sensitive areas. It absorbs 14 times more volume than clay and incinerates to less than 5% ash residue by weight, it becomes the most economical choice for oil spills.

HEAVY DUTY, POWDER FREE, TEXTURED NITRILE GLOVES

10-GPNHD66, 10-GPNHD68:

These extra strong (8 mil thick), extra-long (12") medical grade nitrile gloves offer exceptional resistance to rips and tears. This nitrile glove is an excellent choice for medical professionals in high risk environments featuring possible exposure to blood borne pathogens like those faced by EMTs. They also protect the wrists and lower forearms better with their extended length. Free from latex proteins and powders that could leave residue in paints or other fine finishes.

NITRILE GLOVES

GRAFFITI BARRIER

0-333:

A sacrificial graffiti protection barrier. It applies crystal clear on nearly any non-porous surface to provide a protective barrier against graffiti. When the surface gets tagged, simply peel away the barrier and the graffiti along with it, and apply a new coating. Not intended for use where rain may degrade the barrier.

GREEN FIRE ICE & SNOW MELT

0-1603: ***

This granular ice melt dissolves snow and ice in temperatures below 0°F. It is safe to use on concrete or asphalt, and is enhanced with a green color to prevent over application and waste. Plus, it is non-caustic to skin, so it can be applied by hand.

KLEEN SCREEN-SCREEN CLEANER-AEROSOL

1-254:

KLEEN SCREEN is a water base aerosol designed to clean, polish and protect computer screens. *KLEEN SCREEN* is an effective product that also cleans all glass surfaces, plastic, chrome, porcelain and painted surfaces. It contains no abrasives. *KLEEN SCREEN* reduces static electricity. Removes and repels dust, finger prints, oil and other marks on CRT screens. A clean CRT screen reduces eye strain and provides for more accurate reading.

LIQUEFIRE

1-601:

LIQUEFIRE is an environmentally responsible solution to help fight a winter storm before it arrives. When you apply it to sidewalks, steps, ramps and traffic areas before a storm, it will prevent the bonding of snow and ice to the surface. This means a fast and effective clean-up after the storm. It can also be used on metals such as fire walks, fire escapes and ladders used to access electrical, communication, and other similar equipment that need to be maintained during the winter. It reduces the overall cleaning costs due to the use of granular ice melt. It is tested and proven to be effective to -25°F. This formula is ready to use—DO NOT MIX WITH WATER.

MS SET 45 QUICK SETTING CONCRETE PATCH

0-MS45:

MS SET 45 is designed to set up in 15 minutes and can be open to traffic in 45 minutes. It produces a chemical-action concrete that is tougher and longer lasting than ordinary Portland cement or gypsum. *MS SET 45* contracts less than ordinary concrete so that under the sun's drying effect patches will not pull away. Even under continuous water soaking it will remain tight, and can be used indoors or outdoors to fill shallow or deep holes.

PURE EZ ASPHALT RELEASE AGENT

0-700:

PURE EZ ASPHALT RELEASE AGENT is an asphalt release agent that provides a thin, heat-resistant molecular film to keep asphalt from sticking to dump beds, rollers, spreaders, rakes, shovels and other surfaces. Will not degrade asphalt quality.

SEAL UP ROOF PATCH AND LEAK SEALER-AEROSOL

7-4954:

SEAL UP is our new Roof Patch and Leak Sealer. *SEAL UP* is effective on asphalt, tile, slate, felt, wood, metal and most all other roofing materials. *SEAL UP* is designed for use on drip edges, overlapping seams, flashing, gutters and downspouts, shingles, rolled roofing and one-ply rubberized systems. *SEAL UP* is a great **emergency roof patch** because it can be used on wet or dry surfaces and can be built up to seal most patching needs. *SEAL UP* is a durable coating that stays flexible in variable weather conditions. Easily portable and is a convenient aerosol that eliminates messy clean up and waste.

TOWELS

CRYSTAL CLEAR GLASS WIPES

0-1558:

CRYSTAL-CLEAR GLASS WIPES takes the extra equipment and hassle out of cleaning glass. Pre-moistened with a powerful ammonia-free formula, these wipes quickly remove dust, dirt, oil and grease smudges, water spots, fingerprints and smoke film from glass surfaces and leaves them with a sparkling shine. Best of all, they won't leave behind streaks or a sticky film to cloud your visibility.

ELECTRO WIPES

0-144912:

ELECTRO WIPES eliminates static to avoid electronic data loss. Wiping down electronic equipment with these wipes protects devices from static electricity and avoids dust. *ELECTRO WIPES* are pre-moistened with a special formula that neutralizes the effects of static electricity. This avoids the loss of important data stored on computer equipment such as hard drives. In addition, by eliminating static, less dust collects on surfaces to keep equipment cleaner longer.

EXPRESS WIPES-HARD SURFACE DISINFECTANT WIPES

1-644:

EXPRESS WIPES HARD SURFACE DISINFECTANT is a non-woven disposable cloth containing a stable, low pH formulated disinfectant and deodorant for use on hard, non-porous surfaces where control of cross-contamination is required. *Note: May be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection. Not to be used on food contact surfaces. Can be used anywhere on nearly any hard, nonporous surface to disinfect and deodorize. Safely decreases chances of cross-contamination. Dispenses one at a time so you only use what you need for less waste.

HAND SANITIZER TOWELS

0-144812:

HAND SANITIZING TOWELS eliminates 99.9% of harmful germs and bacteria on hands and surfaces. *HAND SANITIZING TOWELS* sanitizes and conditions skin with a fresh wintergreen fragrance.

FLY AWAY INSECT REPELLANT TOWELS & TOWELETTES

0-1541:

FLY AWAY WIPES provide up to 4 hours of protection from mosquitoes, black flies, stable flies, sand flies, gnats, chiggers, fleas, and ticks. These convenient, easy to use wipes allow for quick and thorough application to skin, hair, and clothing to ensure maximum protection.

MEGA WIPES CHERRY SCENTED INDUSTRIAL HAND WIPES

7-4811:

MEGA WIPES HAND TOWELS are pre-moistened with a high-powered, multi-purpose, grease-cutting formula that lifts away grease, tar, adhesives, wax, ink, paint and lubricants from hands and other non-porous surfaces. The superior grease-grabbing performance is ideal for use on tools, equipment and hands. Natural oils and an emollient are safe for hands and skin, and will not cause drying, unlike similar products. Non-scratching towel is abrasive on one side and smooth on the other. Pleasant cherry fragrance.

MULTI-PURPOSE HAND TOWELS

0-1539:

MULTI-PURPOSE HAND TOWELS are a waterless cleaner for hands and surfaces. Safely removes grime, tar, grease, ink etc. from hands and surfaces. Pleasant scent and emollient fortified to make cleaning easier.

SANITIZING WIPES ALCOHOL FREE

0-1445:

These wipes kill 99.99% of bacteria without the use of alcohol. Sanitizes with BZK (Benzalkonium Chloride). Ideal for schools, hospitals, municipal buildings, and other areas where sanitizing is needed and alcohol is not desired. Non-tacky formula moisturizes with Aloe and Vitamin E to leave hands feeling clean and fresh.

STAINLESS STEEL TOWELS

0-154912:

STAINLESS STEEL TOWELS are specifically designed to clean, polish and protect in one step. *STAINLESS STEEL TOWELS* are pre-moistened with a powerful citrus-based formula that effectively removes grime, yet won't harm stainless steel. The fabric of the towel itself helps remove grime because it is abrasive on one side. The other side of the towel is soft to effortlessly polish stainless steel leaving behind a clear, protective coating which shines and preserves them from water marks, fingerprints and corrosion.

VINYL & RUBBER PROTECTANT TOWELS

0-154512:

VINYL & RUBBER PROTECTANT TOWELS restore and condition interior and exterior surfaces with a water based silicone formula that protects against all types of weather extremes.

WATERBASED STAINLESS STEEL POLISHING WIPES

0-1679:

WATERBASED STAINLESS STEEL POLISHING WIPES are pre-moistened with a water based, streak-free formula designed for the daily cleaning of appliances, stainless steel, and other metal surfaces. These powerful Polishing Wipes are specially formulated to remove smudges, water stains, fingerprints, food spills, grease, and other residue while quickly drying to a streak free shine that lasts for days. These wipes also work on other types of metals including brass, silver, chrome, and copper.

WIPE OUT- GRAFFITI REMOVAL TOWELS

1-643: ***

WIPE OUT towels remove paint and graffiti in one easy step. The biodegradable formula contains powerful cleaners to quickly attack all forms of graffiti. Scrubbing action is built into the fabric to complement the effective formula. *WIPE OUT* does not contain methylene chloride or other harsh chemicals leaving wipe safer to handle. Use on bathroom stalls, street light posts, bus stops and seats, desks, wall tile, trains, aluminum siding, road signs, stainless steel, billboards, lockers and more; almost any hard surface.

WOOD CLEANER & POLISH WIPES

0-156512:

WOOD CLEANER & POLISH WIPES combine all of the cleaning, dusting and protecting power of furniture polish with the ease and convenience of a one-step wipe. You can clean smudge marks, remove dust and dirt, and condition furniture surfaces against every day wear while leaving them with a natural, ultra-protective shine. Best of all, they will not leave behind any oily residue or wax buildup. While other polishing products leave surfaces so oily that they require you to "buff" them again with a dry towel to remove the residue, these wipes literally require only one step.
